PURPOSE OF COMMITTEE MEETINGS

At each Annual Meeting, the Association holds its annual Committee meetings. The purpose of the Committee meetings is to provide an opportunity to meet with new and returning Committee members, to exchange ideas/experiences, and to review the Committee's programs and specific objectives for the coming year. During the Committee meeting, Committee chairpersons should orient new members in an appropriate way, exerting special effort to make them feel welcome and part of the group. It is extremely important for new members to be informed of previous, current, and ongoing issues.

Committees, Professional Development Groups (PDGs) and Task Forces are the professional workforce of the International Association for Food Protection. The Association performs its service to Members, the encompassing professions, and the general public through its Committees, PDGs, and Task Forces. The effectiveness of these services depends primarily on how well these groups carry out their assigned duties and to what extent they exercise imagination and good judgment in doing so. Committees, PDGs, and Task Forces generate and develop new ideas for carrying out existing policies, help to frame new policies, and carry on the programs of activity that correspond with their interest and responsibilities.

From time to time, Committees, PDGs, and Task Forces find it necessary to take action in order for them to fulfill their missions. Since these groups, as well as the actions they take, are representative of the Association as a whole, it is imperative that these actions be taken with prior knowledge and approval of the Executive Board. Any action that requires expenditure of Association resources, or holds itself out to represent the Association in any way, must be approved by the Executive Board prior to implementation.

Each Committee, PDG, and Task Force is assigned a staff liaison and an Executive Board liaison. If there are questions with regard to operating procedures, Committee actions, etc., please contact one of these liaisons.

COMMITTEE STRUCTURE

Involvement in Committees and Professional Development Groups (PDGs) offers Members the opportunity to share a wealth of knowledge and expertise. Committee and PDG members are the architects of the Association structure. They plan, develop and institute many of the Association's projects, workshops, publications and educational sessions. Technical challenges facing the food safety industry are discussed, examined and debated. Members may volunteer to serve on any number of Committees or PDGs that plan activities to meet the Association's mission.

Standing Committees

Standing Committees provide operational or functional support to IAFP and shall consist of the following: European Symposium Organizing Committee, *Food Protection Trends* Management Committee, *Journal of Food Protection* Management Committee, and Program Committee. Standing Committees shall consist of a chairperson, vice chairperson and other individuals appointed by the President-Elect and confirmed by the Executive Board. Membership appointments shall be for 3-year terms on a rotating basis, with balanced representation from education, government and industry. The chairperson shall serve a 1- or 2-year term and is normally succeeded by the vice chairperson. All appointments may be renewed for one additional term.

Special Committees

Special Committees provide support services to IAFP on a continuous basis. Special Committees of IAFP shall consist of the following: 3-A Committee on Sanitary Procedures; Awards; Black Pearl Selection; Committee on Control of Foodborne Illness; Constitution and Bylaws; Developing Scientist Awards; Fellows Selection; Foundation; Membership; Nominating; Past Presidents', Tellers, and Webinar. Refer to Bylaws Section VI, B on the following pages for information on Special Committee appointments and terms.

Professional Development Groups

Professional Development Groups (PDGs) are established by the Executive Board at the request of a group of members to promote professional development in specific disciplines or areas of interest, which further the Association's goals. IAFP Membership is not a requirement for participation on a PDG; however, only IAFP Members may serve as chairpersons or vice chairpersons. Chairpersons and vice chairpersons of PDGs shall be recommended for 2-year terms by the members of the PDG prior to the Annual Meeting and are subject to annual review by the Executive Board. The vice chairperson normally succeeds to chairperson. Before becoming a chair or vice chair, it is highly recommended that the candidate have actively participated in IAFP PDGs for at least two years. Membership on a PDG is voluntary (not by appointment) and may vary from year to year. Requests for membership on a PDG should be directed to the chairperson. Current PDGs include Advanced Molecular Analytics; Applied Laboratory Methods; Beverages and Acid/Acidified Foods, Dairy Quality and Safety; Developing Food Safety Professionals; Food Chemical Hazards and Food Allergy; Food Defense; Food Fraud, Food Hygiene and Sanitation; Food Law; Food Packaging; Food Safety Culture; Food Safety Education; Food Safety Assessment, Audit and Inspection; Fruit and Vegetable Safety and Quality; HACCP Utilization and Food Safety Systems; International Food Protection Issues; Low Water Activity Foods; Meat and Poultry Safety and Quality; Microbial Modelling and Risk Analysis; Pre Harvest Food Safety; Retail and Foodservice; Sanitary Equipment and Facility Design; Seafood Safety and Quality; Student; Viral and Parasitic Foodborne Disease; and Water Safety and Quality.

Task Forces

Task Forces may be authorized by the Executive Board for special work or assignment that can normally be accomplished within two years. The need for continuation of such Task Forces shall be subject to annual review of the Executive Board. All appointments of chairpersons and vice chairpersons to Task Forces shall be made by the President and shall be subject to annual review of the Executive Board. Proposed members of Task Forces will be designated by the Task Force Chairperson and presented to the Executive Board for confirmation. IAFP Membership is not a requirement for participation on a Task Force.

RESPONSIBILITIES OF CHAIRPERSON

- Refer to the IAFP Bylaws for term of service (page 18).
- Send meeting agenda to your members and the IAFP office in advance of the Committee Meeting. IAFP staff will upload each agenda to the Annual Meeting App.
- Chair the meeting of your respective Committee, PDG or Task Force at the Annual Meeting.
- Orally review Antitrust Guidelines (“What You Cannot Do”) with your Committee (page 10).
- Lead discussion and encourage Committee, PDG and Task Force Members to submit nominations of worthy candidates for next year’s awards.
- **Prepare the Minutes.** Minutes should be prepared electronically (two computers and a printer will be available in the Speaker Ready Room). Follow the Minutes’ Word template that is posted on the IAFP website with the handbook materials. The template will also be available on the desktop of each Speaker Ready Room computer.
- Please ensure that the following are included in your Minutes:
 1. Total number of attendees. A monitor at each meeting room will scan badges to record the names of those attending each meeting and will also have a separate sign-in sheet to collect names of those who have not yet picked up their badges. IAFP will send each Chair and Vice Chair a list of attendees within one to two weeks after IAFP 2018 concludes. The attendees’ names will be added into your minutes during editing for publication.
 2. A numbered list of summarized recommendations in Section V of the Minutes, “Recommendations to Executive Board.” **The Board will consider only the recommendations recorded in this section – this includes the election of the Vice Chairperson prior to the meeting.** Further instructions on recommendations can be found at <http://www.foodprotection.org/upl/downloads/library/committees-pdgs-faq.pdf>.
- Save the completed Minutes using your Committee or PDG name (example – Meat and Poultry Safety and Quality PDG) in the folder titled ‘**2018 Minutes**’ which is located on the desktop of each Speaker Ready Room computer or you can email the file to Didi Loynachan at dloynachan@foodprotection.org by the 1:00 p.m. Tuesday, July 10 deadline.
- **The Chairperson should review the Minutes carefully.** All changes must be saved to the same electronic file before turning in your approved Minutes.
- **Approved Minutes:** One copy should be printed, signed by the Chair and turned it in at the IAFP Registration Desk by **1:00 p.m. Tuesday, July 10.** If the file was not already saved on a Speaker Ready Room computer, send it by email to dloynachan@foodprotection.org.
 - Any revisions or corrections to the Minutes should be emailed to Didi Loynachan by Wednesday, July 25, 2018.
 - The Minutes will be edited by IAFP staff and published on the IAFP website and in the November/December issue of *FPT*.

RESPONSIBILITIES OF VICE CHAIRPERSON

- Assists the Chairperson throughout the year with meetings, email, conference calls and other activities.
- Refer to the IAFP Bylaws for the term of service (page 18).
- Succeeds the Chairperson at the end of their term of service.

RESPONSIBILITIES OF STUDENT LIAISON

- Serves as a communications link between the Student PDG and the specific PDG to which they are assigned.
- PDGs may find additional ways in which to utilize their Student Liaison.
- The term of service is determined by the individual PDG.

CONDUCTING MEETINGS

- Be sure all members are aware of meeting time and location.
- Notify your staff liaison in advance if you have any additional needs to conduct your meeting.
- Arrive early for the meeting and see that all equipment and materials are in place.
- Begin your meeting promptly at the assigned time.
- Ask members to add any necessary items to the agenda at the beginning of the meeting.
- Orally review Antitrust Guidelines (“What You Cannot Do”) with your Committee or PDG (page 10).
- Be careful not to criticize the viewpoints of others. Give every idea equal merit to make all members comfortable participating in discussions.
- Keep the meeting moving to prevent interest from lagging; postpone minor issues until later if discussion becomes too time consuming, to ensure coverage of all agenda items.
- At the meeting’s conclusion, verify that all members agree the agenda has been covered sufficiently and they have no additional items to discuss.
- Conclude the meeting on time to allow members to attend the next scheduled meeting(s) of their choice.

ANTITRUST GUIDELINES FOR ASSOCIATION MEETINGS

These are excerpts from *Antitrust Guidelines for Associations* written by James Anderson of the law firm of Loomis, Owen, Fellman & Howe, based in Washington, D.C.

What You Can Do

1. Discuss better ways to educate and provide meaningful information to association members about the industry.
2. Discuss economic trends, business forecasts, and materials availability, emphasizing that each company is free to use this information in the way it sees fit and should make its own business decisions.
3. Provide a properly structured environment for the exchanging of credit information to protect association members against the financial loss generated by bad credit risks.
4. Discuss federal and state governmental actions and develop industry-wide lobbying efforts.
5. Discuss technological advances and better ways to utilize them.
6. Discuss ways to improve the public image of the industry.

What You Cannot Do

1. Do not enter into any agreements with competitors regarding or affecting prices.
2. Do not discuss your company's current prices with competitors.
3. Do not agree with competitors on pricing or profit levels.
4. Do not agree with competitors to give or deny cash discounts or promotional allowances.
5. Do not agree with competitors to give or deny credit to a specific customer, or to establish uniform credit terms.
6. Do not agree with competitors to deal or not to deal with any customer or agree on the prices to be charged to a specific customer.
7. Do not discuss allocation of markets.
8. Do not enter into agreements with competitors concerning price quotations or bids.

It is extremely important that association members understand that their conduct at association meetings is regulated by the provisions of the antitrust laws. A thoughtless violation of the antitrust laws by a few members who are competitors could result in expensive protracted litigation, which could destroy the association and/or result in the prosecution of individual members.

COMMITTEE MINUTES TIMELINE

Tuesday, July 10, 2018

- Submit a signed hard copy of the Committee Minutes to the Registration Desk by 1:00 p.m.
- Place a copy of the final approved Minutes' Word file onto a computer in the Speaker Ready Room or email the file to Didi Loynachan at dloynachan@foodprotection.org by 1:00 p.m. so IAFP has an electronic copy for publication.

Wednesday, July 25, 2018

- Deadline for final Minutes' revisions sent to Didi Loynachan at the IAFP office: dloynachan@foodprotection.org

November/December 2018

- Minutes will be published on the IAFP website and in the November/December issue of *FPT*.

COMMITTEE MINUTES FORMAT GUIDE

Use the following guide for typing Committee and Professional Development Group minutes.

Please share this information with your recording secretary.

- The Minutes must be typed using the format shown on the following pages or using the appropriate Minutes template (Committee or PDG) that is provided with the handbook materials under Supporting Documents on the IAFP website, and on each Speaker Ready Room computer.
- The Minutes for all groups (Committee or PDG) must be saved in the **2018 Minutes** folder, located on the desktop of each computer in the Speaker Ready Room or the file should be emailed to Didi Loynachan at dloynachan@foodprotection.org, no later than 1:00 p.m. on Tuesday, July 10.
- Enter the total 'Number of Attendees' into the Minutes where indicated. For all PDG Meetings and most Committee Meetings, a monitor will be scanning attendee badges to record the names of those attending the meetings. The monitor will also have a separate sign-in sheet available to collect names of those who have not yet picked up their badges. All Chairs will receive a roster prior to the meeting to use during the meeting. Only Committee Chairs that do not have a badge scanner available need to circulate their rosters and submit them with the Minutes. The Chair and Vice Chair of all meetings where badges are scanned will receive a list of attendees within one to two weeks after the conclusion of IAFP 2018. IAFP staff will insert the 'Names of Attendees' into your minutes prior to publication on the IAFP website and in *FPT*.

Minutes templates are provided on pages 13 & 14. Please use the appropriate template for your group. Refer to last year's published minutes for examples of the correct formatting.

International Association for Food Protection Committee and Professional Development Group (PDG) Communication Guidelines

The official means of communication for Committees and PDGs is via a PDG or Committee Member email address list.

For contacting your Members by email:

When contacting your Members by email, your Members' email addresses **MUST** be entered into the "Bcc" field. Place the sender's email address into the "To" field. Using the "Bcc" field will help avoid everyone seeing all of the addresses and avoid the possibility of someone copying those addresses into their marketing list. It will also make it easier for your Members to see the message without scrolling through a long list of email addresses.

For use with social media forms of group communications:

Social media such as LinkedIn, Twitter and Facebook are intended as **discussion forums**. Committee and PDG members may opt out of the discussion so these forums are not intended to be the official or only means of communication.

Purpose:

- a) To communicate items of pertinent interest to PDG members.
- b) To facilitate discussion among PDG members.
- c) To exchange ideas and opportunities to PDG members.

Postings will not:

- a) Be offensive, threatening, illegal or inflammatory, defamatory or hostile.
- b) Promote, or advertise a commercial product or solicit business for individuals, companies or organizations.
- c) Promote membership in other organizations.
- d) Be used for political purposes either within or outside of IAFP.
- e) Be used for "calls to action" such as lobbying or petitioning.
- f) Infringe on the rights of the organization or any individual or entity to include privacy, intellectual property or publication rights.

IAFP reserves the right to:

- Ban future postings from members who violate the terms and conditions.
- Remove or edit comments at any time whether they violate terms or not.

WEB PAGE GUIDELINES

This document provides guidance for Committees, Professional Development Groups (PDGs) and Task Forces desiring a web page on the International Association for Food Protection's (IAFP) website.

General Intent

The general intent of providing space on the IAFP website is to allow Committee, PDG and Task Force groups to communicate with their members, to communicate with IAFP Members and to communicate with other food safety professionals.

Guidelines

1. IAFP will provide Committees, PDGs, and Task Forces with web page space on the IAFP website upon request by the Committee, PDG, or Task Force.
2. Committees, PDGs, and Task Forces may not maintain "unofficial" websites citing affiliation with or connection to IAFP.
3. The IAFP staff will maintain Committee, PDG, and Task Force web pages.
4. Information may be submitted by one individual per Committee, PDG, or Task Force who is identified by the group as the designated web page coordinator.
5. Other Committee, PDG, and Task Force members must submit information to the group webpage coordinator for posting to the web page.
6. Links of interest to Committee, PDG, or Task Force members may be provided on the web page after receiving approval from the linked site.
7. The source of documents will be clearly labeled with the authors or developers identified.
8. Documents written by the Committee, PDG, or Task Force will follow these guidelines:
 - a. Documents must be the result of a creative effort of the Committee, PDG, or Task Force.
 - b. The Executive Board must approve posting of documents to the IAFP website.
 - c. A statement indicating the document is the opinion of the authors will be included (see exhibit A).
9. Committee and PDG webpages are not to be used to make political statements or to influence legislation in any country.

Information to Include on Web Pages

1. Committee, PDG, or Task Force mission statement
2. Contact information for Committee, PDG, or Task Force Chairperson and Vice Chairperson
3. A listing of Committee, PDG, or Task Force members and their affiliation
4. Summary of Committee, PDG, or Task Force activities
5. Notices of next meeting dates
6. Links to websites of interest to Committee, PDG, or Task Force members
7. Committee, PDG, or Task Force developed documents

Read This Statement

BYLAWS, SECTION VI

Effective August 2, 2016

STANDING COMMITTEES, SPECIAL COMMITTEES, PROFESSIONAL DEVELOPMENT GROUPS and TASK FORCES

Any person serving on an IAFP Committee, or as an appointed representative of IAFP, shall be a current regular, student, retired, honorary life member or sustaining member of IAFP except as may be noted for specific committees. All meetings are open to Members and non-members of IAFP. IAFP Membership is not a requirement for participation on a Professional Development Group or Task Force; however, only IAFP Members may serve as chairpersons or vice chairpersons. Committee chairpersons and vice chairpersons will be appointed preceding the Annual Meeting. The terms of office of all chairpersons and vice chairpersons shall begin at the IAFP Annual Meeting following their appointment or at a date designated by the President-Elect, except as provided elsewhere in the Bylaws.

A. Standing Committees

1. Standing Committees provide operational or functional support to IAFP and shall consist of the following: *Food Protection Trends* Management Committee, *Journal of Food Protection* Management Committee, Program Committee and European Symposium Organizing Committee.

1.13.2 Establish Webinar topics and design Webinar series.

BYLAWS, SECTION VI Continued

C. Professional Development Groups

1. Professional Development Groups (PDGs) are established by the Executive Board at the request of a group of members to promote professional development in specific disciplines or areas of interest which further the Association's goals. IAFP Membership is not a requirement for participation on a PDG; however, only IAFP Members may serve as chairpersons or vice chairpersons.
 - 1.1 Chairpersons and vice chairpersons of PDGs shall be recommended for 2-year terms by the members of the PDG prior to the Annual Meeting and are subject to annual review by the Executive Board. The chairperson and vice chairperson must be IAFP Members. The vice chairperson normally succeeds to chairperson.
 - 1.2 Membership on a PDG is voluntary (not by appointment) and may vary from year to year. Requests for membership on a PDG should be directed to the chairperson.

D. Task Forces

1. Task Forces may be authorized by the Executive Board for special work or assignment which can normally be accomplished within two years. The need for continuation of such Task Forces shall be subject to annual review of the Executive Board.
 - 1.1 All appointments of chairpersons and vice chairpersons to Task Forces shall be made by the President and shall be subject to annual review of the Executive Board. Proposed members of Task Forces will be designated by the Task Force Chairperson and presented to the Executive Board for confirmation.
 - 1.2 IAFP Membership is not a requirement for participation on a Task Force.

Call for Symposium and Roundtable Proposals

Deadline October 2, 2018

(No late submissions will be accepted)

The Program Committee invites International Association for Food Protection Members and other interested individuals to submit a symposium or roundtable proposal for presentation during IAFP 2019, July 21–24, 2019 in Louisville, Kentucky.

What is a Symposium?

A **symposium** is an organized, 1.5, 2 or 3-hour session emphasizing a central theme relating to food safety and usually consists of presenters each giving 30-minute presentations. **1.5-hour sessions are limited to three, 30-minute presentations; 2-hour sessions are limited to four, 30-minute presentations; and 3-hour sessions are limited to six, 30-minute presentations.**

Symposia may include a discussion emphasizing a scientific aspect of a common food safety and quality topic, issues of general interest relating to food safety and microbiological quality, a report of recent developments, an update of state-of-the-art methodologies, or a discussion of basic and applied research in a given area. The material covered should include current work and the newest findings. Symposia will be evaluated by the Program Committee for relevance to current science and to Association Members. Proposals may be prepared by individuals, groups of individuals, committees or professional development groups (PDGs). Session proposals and presentations must follow the IAFP Policy on Commercialism.

What is a Roundtable?

A **roundtable** is a discussion forum of 4 - 6 panelists that is 90 minutes in length with each panelist giving a 5–6 minute introduction, followed by time for a discussion (1 hour minimum) that includes audience participation. Panelists are not allowed to give presentations and should have no slides (no data projector will be provided for roundtable sessions). Roundtable convenors cannot also be panelists. Proposals may be prepared by individuals, groups of individuals, committees or professional development groups (PDGs).

Submission Instructions

Proposals must be submitted using the Association's online submission program at www.foodprotection.org. **At this stage, contact potential presenters or panelists to let them know that you are including their name in the proposal. Inform them that you will not know if the proposed session is accepted until after the November notification date.** Proposals are due October 2, 2018. No late submissions will be accepted.

Presenters Who are Not Members

The International Association for Food Protection does not reimburse invited presenters for travel, hotel, or other expenses incurred during the Annual Meeting. However, invited presenters who are not Association Members will receive a complimentary Annual Meeting registration. Presenters who are Association Members are expected to pay normal registration fees.

Travel Support

The International Association for Food Protection Foundation has offered limited funds for travel support of presenters. After final acceptance of the proposal (March 2019), organizers may submit an application to apply for travel support for speakers(s). REQUESTS SHOULD ONLY BE SUBMITTED WHERE A SINCERE NEED IS DEMONSTRATED BY THE SPEAKER. This travel support is not intended to fully pay travel expenses for speakers, but is intended to defray the total travel expense. Only speakers are eligible to receive travel support. Convenors and Organizers are not eligible for travel support. **Only one request per 1.5-hour session and two requests for 3-hour sessions will be considered.**

Requests are reviewed on an individual and on a first-come, first-served basis until the funds are depleted. A maximum of \$750 per North American speaker, \$1,500 for European and South American speakers and \$2,000 for other international speakers may be available. Organizers are welcome to seek funding from other sources and the Association will provide recognition for these supporters in our program materials. Organizers are asked to inform the Association if they obtain outside funding for speaker travel.

Selection Procedure

The primary focus of the proposal selection procedure is to provide a balanced educational program for attendees of the IAFP Annual Meeting. To achieve this goal, proposals may be combined or modified by the Program Committee during their initial or final review, as appropriate, to prevent overlap of topics among competing sessions. The Program Committee also reserves the right to suggest alternative speakers and/or topics in an effort to round out the program. During the selection process, only the most relevant and promising proposals will be selected for further development.

Submission Guidelines

1. Proposals must be pertinent to IAFP Members and PDGs. Priority will be given to proposals that address one or more of the following program areas:

- Safety and Microbial Quality of Foods (Dairy, Meat and Poultry, Seafood, Produce, Water)
- Viruses and Parasites, Retail Food Safety, Epidemiology and Public Health
- Non-microbiology Food Safety Issues (food defense, food toxicology, allergens, chemical contaminants)
- General-applied Food Safety Microbiology (for example, advances in sanitation, laboratory methods, quality assurance, food safety systems)
- General-food Protection for the Future (risk analysis, emerging pathogens, biotechnology, predictive models, etc.)
- Developments in Food Safety Education
- Other pertinent food protection topics may be considered if space is available

2. In addition to addressing pertinent program areas, proposals accepted for further development should:

- Be new, emerging and/or address areas not covered in last 2 years
- If covered in last 2 years, provide new information that warrants another session

3. Submissions must include:

- Titles that clearly convey the topics to be covered
- Topics that are unique to prevent overlap of basic information among speakers
- Names of suggested speakers from a variety of backgrounds, such as industry, regulatory, academic researchers, or consumer perspective (as appropriate)
- Suggested speakers who are knowledgeable and good communicators

4. Special consideration will be given to submissions that:

- Are directly applicable or provide viable safety options for food manufacturers, including small- to medium-size manufacturers
- Bring an international (outside of North America) focus or viewpoint to the meeting
- Attract or involve students
- Attract or involve local area members who would not otherwise attend the Annual Meeting (e.g., regional specialties like shellfish issues for Gulf States)
- Would attract members of a new PDG or program area that IAFP is trying to develop or encourage

5. Other considerations:

- The Program Committee reserves the right to limit the number of sessions devoted to a single topic area to provide a balanced program.
- If relevant topics are proposed by more than one submission, the Program Committee will make the final decision to combine or modify proposals as appropriate to avoid overlap of topics among competing proposals. In this case, organizers may be asked to work with one another to combine proposals.
- The IAFP Program Committee reserves the right to review proposals, including proposed subjects and speakers, and make modifications (including speaker replacement recommendations) in order to provide the most comprehensive and balanced program. Invited speakers need to be made aware of these conditions when they are contacted.
- Due to space and time limitations, only the most relevant and promising proposals will be selected for further development. Again, the Program Committee will make final decisions regarding symposium breadth and length.
- Selected sessions will be reserved for symposia sponsored by our partner, the International Life Science Institute North America (ILSI N.A.). The ILSI N.A. symposia address topics that are of general interest to IAFP meeting attendees, focusing on emerging food safety issues and technologies, and provide a global perspective.
- Additional sessions may be added at the discretion of the Program Committee or Executive Board to accommodate emerging issues.

Review Process and Timeline

October 2, 2018	Proposal Submission Deadline. No late submissions will be accepted.
mid-October 2018	Program Committee completes Stage 1 proposal reviews.
November 9, 2018	Organizers notified of proposal status (proposals will either be accepted for stage 2 review or declined).
January 15, 2019	Proposals selected for stage 2 review must be finalized. This includes symposium title, abstract, convenor and speaker information (name, contact information, and proposed title of presentation).
mid-February 2019	Stage 2 reviews conducted by IAFP Program Committee.
March 5, 2019	Organizers notified of final decisions regarding session proposals.

Call for Workshop Proposals

Deadline October 2, 2018

(No late submissions will be accepted)

The Program Committee invites International Association for Food Protection Members and other interested individuals to submit a pre-meeting workshop proposal for IAFP 2019 to be held July 21–24 in Louisville, Kentucky.

What is a Workshop?

A workshop consists of a one- to two-day program and is organized with a central theme relating to food safety. Workshops should include active participation from attendees. Workshops will be held on the Friday (July 19) and/or Saturday (July 20) prior to the Annual Meeting. Workshop proposals will be evaluated by the Program Committee for relevance to current science and to Association Members. Individuals, committees, or professional development groups may prepare proposals. Workshop presentations must follow the IAFP Policy on Commercialism.

Submission Guidelines

To submit a workshop proposal, complete the online Workshop Proposal submission. The title of the workshop; name, address, phone, and E-mail of the person(s) organizing the workshop; topics for presentation, suggested instructors, affiliations; and description of intended audience to which this topic would be of greatest interest must be included. Instructors will be limited to no more than six for a 2-day workshop and no more than four for a 1-day workshop. If organizers are going to give presentations, include their names as instructors.

When submitting a proposal, the instructors should be tentatively confirmed. Final confirmation of instructors should take place after acceptance of your workshop proposal. A tentative agenda will also need to be included with the submission.

Logistics

Workshops held in conjunction with IAFP's Annual Meeting will be organized by IAFP. IAFP will arrange for the classroom, audiovisual equipment, course materials (printing, notebooks, etc.) and food and beverage. IAFP will also assume responsibility for profit or loss from the financial aspects of the workshop.

Workshop organizers will coordinate the agenda timing and topics that each speaker will present. Organizers are also responsible to collect handout materials from each speaker in advance so that notebooks can be prepared by IAFP.

Proposal Deadline

Workshop proposals must be submitted through the online system no later than October 2, 2018 (no late submissions will be accepted). Workshop proposals will be reviewed by the IAFP Program Committee and notification of first review decisions will be issued by November 9. Selected proposals must be finalized by January 8, 2019. Notifications of final decisions will be issued by March 8, 2019.

Have an Idea, but You are Unable to Organize It?

Many Association Members have excellent suggestions for workshop topics, but are unable to organize the program. Such ideas are extremely valuable and are welcome. If you have an idea, please contact the IAFP office as soon as possible.
