The Emmett R. Gauhn Memorial Award is the Association's highest award. It is given to a member in good standing who has made a significant contribution to the NYSAFP or in their field of endeavor. The 2019 recipient of this honor is Victoria Pedersen. Presenting the award is Casey McCue. Both are with the New York State Department of Agriculture and Markets, Division of Milk Control and Dairy Services.

Emmett R. Gauhn Memorial Award

Established in 1955, the Emmett R. Gauhn Memorial Award is presented annually in memory of the Association’s first President and leader in food sanitation. The award stands out as the Association’s highest honor. It was Emmett R. Gauhn’s visionary leadership, commitment and persistent work and effort that inspired the birth of the Association and continues to inspire and guide the talent of the organization today and into the future.

This year’s winner of the Emmett Gauhn Memorial award is a person who has been invaluable to the Central NY Association for Food Protection. She graduated from Alfred State University with a degree in Dairy Science. This led her to work for Dairylea Coop (now HP Hood) as a lab technician at the Vernon plant. She was a

Cont’d on Page 27
Senior Technician and for many new lab techs, she was an excellent and patient teacher. She brought her extensive dairy experience and amazing work ethic to the Department of Agriculture and Markets in 2005. In the time she has been with the Division of Milk Control she has been involved in NYS Fair cheese judging, Cornell HTST pasteurizer school, the laboratory split sample program, and she was named as Dairy Products Specialist of the Year in 2016. She is a Laboratory Evaluation Office and carries a heavy workload in her Region. In her spare time she is an amazing athlete. She started with 5K races a few years ago and has consistently challenged herself with half-marathons, marathons, duathlons, and Olympic length triathlons.

She has been a member of the NYS Association and the Central NY Affiliate for many years. She does most of the planning for all of the CNY Affiliates activities and meetings, scouting out and setting up the venues, contacting speakers, and sending out the notices. She also works at the annual NYS Association of Food Protection meeting to organize and keep track of the Milk Bar. It is my distinct honor to present the Emmet Gauhn Memorial Award to Ms. Victoria Pedersen.
Dr. Paul B. Brooks Memorial Award

The Dr. Paul B. Brooks Memorial Award is presented to a member who has contributed to the welfare and progress of the affiliates. This year's recipient is Thomas DiBlasi (L), Dairy Products Specialist/Laboratory Evaluation Officer for the NYS Department of Agriculture and Markets, Division of Milk Control and Dairy Services. Presenting the award is his brother, John, NYSDAM (retired).

The Dr. Paul B. Brooks Memorial Award is presented in memory of Dr. Brooks to a member who has contributed to the welfare and progress of the affiliates. The individual's devotion to the cause of progressive sanitation serves as an inspiration and guide to all members of the NYSAFP.

Like so many in the Division of Milk Control, Tom has been involved in agriculture from a young age, beginning on our dairy farm. After graduating Alfred State College, he held a few jobs that have been the source of "after-hours" stories (auto repossession, etc.). He entered the dairy industry when Steuben Foods built its Elma, NY plant in 1984, and eventually became a production

Cont'd on Page 29
supervisor and a yogurt expert. He then moved on to the NY State Department of Agriculture and Markets, working throughout Western New York. Tom always volunteers for whatever is needed with our Western Association of Sanitarians and is particularly interested in providing training for the "little guy." He always takes the extra time with the smaller operators to help in their successes, while fulfilling his duties as DPS 1 and Lab Enforcement Officer for the FDA. He is continuously active in all facets of our industry, as well as active in providing support (and entertainment) as "host" for the WAS hospitality room at the NYSAFP annual conference. Tom is a core supporter of industry networking wherever he works.
The William Hickey Memorial Award is presented to a person who has made an outstanding contribution to the improvement of the food industry. This year’s recipient is Erin Sawyer, Director of Field Operations for the NYS Department of Agriculture and Markets Division of Food Safety and Inspection, seen above receiving the award from John Luker, the Division’s Assistant Director.

Established in 1979, the New York State Association for Food Protection William V. Hickey Memorial Award is designated to honor an individual who has excelled in the field of food safety and sanitation. Mr. William Hickey was the Executive Director of the Food and Container Institute and the first chairman of the Food Protection Committee.

Erin Sawyer has worked for the NYS Department of Agriculture and Markets for twenty years in various Food Inspector titles and is currently the Director of Field Operations for the Division of Food Safety and Inspection.
Erin graduated from Hudson Valley Community College in Troy, NY with an Associates of Arts in Math and Science and went on to earn her bachelor’s degree in biology from Russell Sage College also in Troy, NY. Erin began her career as a Food Inspector trainee with the NYS Department of Agriculture and Markets in 2000, conducting inspections at retail food stores and various manufacturing food facilities. She transferred into the central office in 2003, and in 2005, was promoted to a supervising food inspector position. In 2009, Erin accepted a promotion to the Director of Field Operations where she oversees a field staff of 100 inspectors and activities they conduct. She is involved with implementing the requirements associated with the MFRPS and RRT grants.

Erin is a trainer for the Seafood HACCP Alliance course and for the FDA ER220 Traceback course. She is a member of several professional organizations including the NYS Association for Food Protection.
Dr. Theodore H. Reich
Memorial Award

The Dr. Theodore H. Reich Memorial Award is presented to a person who has made an outstanding contribution to dairy farm sanitation and herd health. Kerry Case (r) of Quality Milk Production Services receives her award from Amber Brown, Organic Valley Milk Cooperative.

Dr. Theodore H. Reich was Division Supervisor for the Country Milk Section of the NYS Health Department, member of the Farm Methods Committee, Dairy Practices Council and Secretary of the Orange County Sanitarians Association. Dr. Reich passed away while serving in December 1971.

The 2019 winner, Kerry Case from Cornell’s Quality Milk Production Services, truly has given outstanding service improving milk safety and quality on the farm. Kerry has been with Quality Milk since the early 1990s and in that time has shared her knowledge, experience and cheerfulness with hundreds of farms. Her co-workers describe her as hardworking, devoted and say she will

Cont’d on Page 33
take on any challenging task without complaint. Kerry works directly with farmers sampling cows and evaluating milking procedures, management, housing, equipment, and mastitis control. In the time she has worked for QMPS, she has seen and adapted to a great many changes, including the introduction of variable frequency vacuum drives, rotary parlors and robotic milking systems. Her work has helped lead to the virtual eradication of Streptococcus agalactia infections and the general and dramatic improvement of milk quality and safety in New York State.

In addition, Kerry has served as the administrator of the “Super” Milk Program started in 1990 by the Empire State Milk Quality Council (ESMQC) to recognize those dairy farmers who go above and beyond the high quality standards maintained in New York herds, by achieving consistent low somatic cell count results. Every year she contacts industry milk inspectors for award nominations, and she has ordered and distributed thousands of “Super” Milk signs. She patiently fields questions from inspectors and farmers and has helped keep the program strong and relevant.

Kerry’s hard work is made especially meaningful by her cheerful personality and the genuine care that she demonstrates for individual farmers and the NYS dairy industry. The NYSAFP Farm Methods Committee is very proud to add her to the list of recipients of the Theodore H. Reich Award. She is truly deserving.
Howard B. Marlatt
Memorial Laboratory Award

The Howard B. Marlatt Award is presented to someone who has made a significant contribution in the field of dairy and food laboratory work. This year's recipient is Thomas Angstadt.

The Howard B. Marlatt Memorial Award is presented in memory of Howard B. Marlatt.

- Founder and Past President of the Orange County Sanitarians Association
- Member of the NYSAFP board at the time of his death, July 10, 1969
- Chairman of the Laboratory Practices Committee for three years
- Established in 1972

The Howard B. Marlatt Memorial Award recognizes those individuals who have made an outstanding contribution in the field of dairy and food laboratory work and is selected by the Laboratory Practices Committee. NYSAFP membership is not required.

Cont'd on Page 35
The 2019 award winner is Thomas Angstadt who is semi-retired after many years working for Dairylea Cooperative and Dairy Farmers of America as Director of Technical and Laboratory Services. Tom was raised by his grandparents and is proud to note that he followed his grandfather’s fifty-five years of working in the dairy industry with fifty years of working in the same field. As a regional and national leader in dairy laboratory matters, Tom has had a major impact on improving milk sampling and testing standards through his work with the National Conference on Interstate Milk Shipments serving on the Laboratory Committee, Appendix N Committee and as Chair of Council II.

Tom states that he “was not only surprised by it but very humbled and gratified to be recognized with the award. What a wonderful experience and ride it has been working with so many wonderful people all over the country. I know my grandfather would be proud and I hope I served the industry well! Thank you for this wonderful award and for recognizing me with it.”

Tom lives in Erie, PA and has been a long-time active member of the International Association for Food Protection, the Pennsylvania Association of Milk, Food and Environmental Sanitarians and the NYSAFP.
George “Sid” Miller, Jr.
Affiliate of the Year Award

The George “Sid” Miller, Jr. Affiliate of the Year Award is presented to one of the six NYSAFP affiliates each year to recognize excellence in their program. This year’s winner is the Western Association of Sanitarians. Displaying the award are WAS members John DiBlasi and Robin Waite. It was presented by past Council Chair Marsha Koerner.

To qualify for the George “Sid” Miller, Jr. Affiliate of the Year Award, the affiliate must be active in the State Association. Other criteria considered for this award include the group’s activity in conducting affiliate meetings and recruitment of new members for the affiliate, State and International Associations. Also considered are the types of programs that are presented to the local affiliate membership. The information for the award application is gathered and submitted by the local group through their delegate to the Council of Affiliates. The Executive Board of NYSAFP selects the winner and the award is presented at the annual Council of Affiliates luncheon during the Annual Conference. Announcement of the winning affiliate is made during the Annual Conference Awards Banquet.

The Western Association of Sanitarians Activities During the Past Year:

- Held a meeting in Buffalo at “The Steer” in January. The speaker was Rob Gabriel of Explore Buffalo. Mr. Gabriel shared a presentation of “Beerfalo – The Ales and Tales of Buffalo.” There were 45 members in attendance in which networking and great food was enjoyed by all.

- HACCP Training was sponsored in March in Cheektowaga, NY. The training course was International HACCP Alliance certified; the instructor was Deborah Shapos BS, MBA, and CHA. There were 26 attendees representing Dairy, Meat, Gum and Vegetable processing facilities.

- The annual “Critical Issues” conference was held on June 6th at Terry Hills Golf Course, in Batavia, NY. There were 52 attendees and 13 golfers for the conference. Topics covered:
  - “The New York State Cattle Health Assurance Program” Melanie Hemenway DVM, NYS Cattle Health Assurance Program Coordinator, NYS Agriculture and Markets
  - “Food Defense on the Farm” – Donna Walker, Regulatory Manager, Dairy Farmers of America
  - “Sliced Swiss Cheese, A Weight Loss Story” – Kim Bukowski, Dairy Foods Extension Specialist, Cornell University
  - “Regulatory Response to Food Borne Illness” – Mary Walawander, Epidemiology/Surveillance/Disease Control, Erie County Dept. of Health & John Loker, Assistant Director, NYS Ag & Mkts, Food Safety & Inspection Division.”
CNYAFP Affiliate (Central)

The Spring meeting was May 23rd in Canastota, NY. There were 51 members in attendance, 4 speakers and 3 Cornell students shared presentations. Topics covered: Update from NCIMS Conference, Peroxide/Water Issues, Key Performance Indicators & Udder Health Risk Assessment and Updates in Milk Hauling. The Cornell Students shared presentations about an E-coli Outbreak in Flour and Salmonella Outbreaks in Ground Turkey and Cucumbers.

Many of the NYS Certified Milk Inspectors use this meeting for their annual training requirement.

Rochester Sanitarians

In December, RAS hosted a Christmas meeting and gathering; there were 18 in attendance. Skip Wilson discussed the State’s role in aiding industry in preparation for FSMA, SQF and other audits.

In April, 24 members enjoyed a tour of the Eli-Fish Micro Brewery in Batavia. The history behind Eli Fish was shared regarding how skills were passed down on how to be a businessman, brewer, and Malter from his father.

In June, the weather was perfect for the annual golf tournament.

Western Sanitarians

We began the New Year as usual with a meeting at “The Steer” in January. The speaker was Rob Gabriel of Explore Buffalo. Mr. Gabriel shared a presentation of “Beerffalo – The Ales and Tales of Buffalo.” There were 45 members in attendance – networking and great food was enjoyed by all.

HACCP Training was sponsored in March at Cheektowaga, NY. The training course was International HACCP Alliance certified; the instructor was Deborah Shapos BS, MBA, and CHA. There were 26 attendees representing Dairy, Meat, Gum and Vegetable processing facilities.

The annual “Critical Issues” conference is scheduled June 6th at Terry Hills Golf Course, in Batavia NY. We expect 52 attendees and 13 golfers for the conference. Topics covered:

- “The New York State Cattle Health Assurance Program” Melanie Hemenway DVM, NYS Cattle Health Assurance Program Coordinator, NYS Agriculture and Markets

CONSTITUTION AND BY-LAWS
AS REvised AND ADOPTED SEPTEMBER 18, 2019

CONSTITUTION

ARTICLE I
Name
1. The name of this association shall be the New York State Association for Food Protection.

ARTICLE II
Objectives
1. The objectives of this Association shall be (1) to strive for continued improvement in the safety, sanitary, and nutritional quality of milk and food; (2) to provide educational opportunities in these areas through meetings and publications; (3) to promote greater uniformity of sanitary food, drug, and environmental regulations and their enforcement in the dairy and food industries; (4) to assist members in achieving these objectives.

ARTICLE III
Membership
1. ACTIVE MEMBERSHIP. Any person engaged in the various phases of the milk and food industries shall be eligible for membership in this Association whether employed by a regulatory agency, educational or research institution, quality control laboratory, or related industries. Active members shall be eligible to vote at meetings of the Association.

2. HONORARY LIFE MEMBERSHIP. The Association may extend Honorary Life Membership to members or non-members who have distinguished themselves in the fields of dairy and food sanitation and to members who have made a noteworthy contribution to the Association and fulfill the requirements as stipulated in the By-Laws, Article I, #2. Honorary life members shall be eligible to vote at meetings of the Association.

3. SUSTAINING MEMBERSHIP. Organizations whose objectives are in agreement with those of this Association shall be eligible for Sustaining Membership, but without voting privilege.

4. AFFILIATE MEMBERSHIP. Regional or local associations whose objectives are in agreement with those of this Association shall be eligible to group affiliation with this Association on conditions stipulated in the by-laws.

5. STUDENT MEMBERSHIP. Any student enrolled in a two-year, four-year or graduate program related to the dairy or food industry shall be eligible for membership in this Association.

ARTICLE IV
Officers
1. The officers of this Association shall be a President, President-Elect and Executive Secretary-Treasurer (hereinafter referred to as Secretary). The President shall gain office by succession from the position of senior at large board member. The Secretary shall be appointed by the Executive Board for an unlimited term. All other officers shall hold office for one year.

ARTICLE V
Administrative Committees, Editor, and Executive Secretary
1. EXECUTIVE BOARD:
   (a) There shall be an Executive Board in the Association to consist of the President, President-Elect, Secretary (non-voting member), the last preceding president of the Association, the chairperson of the Council of Affiliates, a representative from Cornell University (non
voting member) & hereinafter referred to as Cornell Coordinator), a Webmaster (non-voting member selected by the Executive Board), and three other board members, one elected each year at large by ballot at the Annual Conference of the Association. Except for the Secretary, Cornell Coordinator, Council Chairperson, and Webmaster, six members of the Executive Board shall be officially connected with governmental agencies, educational institutions, or industry (representing dairy, food and related fields).

(b) When new members are elected to fill vacancies on the Executive Board, present members except the Secretary, Cornell Coordinator, Council Chairperson and Webmaster, shall move up in the line of succession and the new member (or members) shall take the junior position on the Board.

2. MEMBERSHIP COMMITTEE. There shall be a Membership Committee, with the chairperson appointed by the President.

3. AUDITING COMMITTEE. There shall be an Auditing Committee consisting of three members appointed to serve a three-year period. The senior member shall serve as chairperson; annually, the President shall appoint a new member.

4. NOMINATING COMMITTEE. There shall be a nominating committee consisting of the immediate Past President, as chairperson, the Council Affiliates Chairperson and a third person appointed annually by the President.

5. AWARDS COMMITTEE. There shall be an Awards Committee consisting of three members. Members will consist of: the Immediate Past President as chairperson, the Council Affiliates Chairperson, and a third person appointed annually by the President.

6. OTHER COMMITTEES. Unless otherwise provided for by vote of the members, the President shall have the power to appoint other committees to perform specific functions for the good and welfare of the Association and its members.

7. EDITOR. The Executive Board is empowered to employ an editor or editors to serve at the pleasure of the Executive Board with terms of employment, compensation, and duties as stated in the by-laws.

8. SECRETARY. The Executive Board is empowered to employ a Secretary to serve at the pleasure of the Executive Board with terms of employment, compensation, and duties as stated in the By-Laws.

9. WEBMASTER. There shall be an Association Webmaster (non-voting member) selected by the Executive Board.

ARTICLE VI
Council of Affiliates

1. There shall be a Council of Affiliates within the Association composed of a Chairperson and one representative from each affiliate association. Provision for additional representation from the affiliates on a quota basis may be made by the Executive Board on request by the Council of Affiliates. The Chairperson will be appointed by the Executive Committee to serve for three years.

2. A Code of Procedure may be adopted and amended by the Council of Affiliates to guide the Council in the discharge of its duties, but all adoptions and amendments shall be ratified by the Executive Board before becoming effective. When the Constitution or the By-Laws do not stipulate a code of conduct or procedure for the Council of Affiliates or are not explicit in their intent the Code of Procedure shall govern.

ARTICLE VII
Amendments to the Constitution

1. Proposed amendments to the Constitution must be submitted in writing to the Executive Board at least sixty days prior to the Annual Conference of the Association.

2. The Executive Board shall consider all proposed amendments to the Constitution and present a report and recommendation to the membership.
3. The Executive Board shall instruct the Secretary to prepare copies of such proposed amendments and mail them to all members, or publish such proposed amendments in the official publication of the Association, in either case at least fifteen days prior to the Annual Conference.

4. A two-thirds vote of the members present at the annual business meeting shall be required to adopt amendments to the Constitution.

BY-LAWS

ARTICLE 1
Membership

1. ACTIVE MEMBERSHIP. Any person eligible for membership under the Constitution shall file an official application accompanied by the annual membership dues to the Secretary.
   a. Any person having once become a member shall continue to be a member as long as the annual dues are paid. Any member who shall fail to pay the annual dues after notification by the Secretary that said dues are payable, shall be dropped from membership.
   b. A member of the Association may be expelled for cause upon recommendation by the Executive Board after hearing.
   c. The dues for active membership shall be established annually by the Executive Board prior to the Annual Conference.
   d. Any active member, who is in good standing, may be eligible to be appointed to a committee or position and/or elected to the Executive Board.

2. HONORARY LIFE MEMBERSHIP. Honorary Life Membership may be considered by the Executive Board to qualified nominees after receipt of an application. It is not granted automatically to all members upon their retirement. The guidelines for Honorary Life Membership shall be (1) at least fifteen accumulative years of membership in the Association, (2) active membership for the last five years, (3) noteworthy contribution to the work of the State Association or an affiliate association, and (4) retirement from full time work in one’s field; one may continue to work on a limited basis in the same field or full time in a different field.
   a. An Honorary Life Member, upon admission to such membership, shall receive an Honorary Life Membership certificate, signed by the President and Secretary and sealed with the seal of the Association. He/she shall also receive complimentary subscriptions to all Association publications.
   b. There shall be no charge for dues or Annual Conference registration for Honorary Life Members.

3. SUSTAINING MEMBERSHIP. Any business (individual, professional organization, partnership or corporation), desiring to become a member shall file an official application, accompanied by the annual membership dues, with the Secretary. The Executive Board shall act upon the application, and, if approved, the Secretary shall issue a certificate of Sustaining Membership. The membership fee shall be returned by the Secretary if membership is not approved.

4. AFFILIATE MEMBERSHIP. Any regional organization desiring to affiliate with this Association shall file an official application with the Secretary.
   a. The Executive Board shall act upon the application and, if approved, the application shall be referred to the Council of Affiliates for its approval. If approved by both bodies, the Executive Board shall direct the Secretary to issue a certificate of Affiliate Membership.
   b. An affiliate may be dropped from membership for cause by a majority vote of the Executive Board, and with approval of the Council of Affiliates. An opportunity to be heard must be granted an affiliate before disaffiliation may become effective.

5. STUDENT MEMBERSHIP. Any student eligible for membership under the Constitution who shall file an official application and whose application is certified by an Association member may become a member.

Pass It On!

Represented among the over 300 members of the New York State Association for Food Protection. Food safety professionals are people from a broad spectrum of the Food Industry, including milk cooperatives, dairy and food processing plants, regulatory agencies, colleges, food distribution companies, dairy and food supply and equipment dealers, control laboratories, institutional caterers, restaurant management companies and others. These are people concerned with the sanitary and nutritional aspects of the total food industry, interested in promoting greater uniformity in food regulations, and who are seeking to keep informed about the latest developments in their field of work.

As a further aid in meeting these objectives, many members also join the International Association of Food Protection, parent organization of the Association.

What does the Association Offer?

1. Membership in a professional society at the state and international level. Networking opportunities with industry experts.

2. Six local affiliates in different parts of the state which provide opportunities for each member to participate to the extent desired.

3. Educational opportunities through talks, films, forums, and exhibits presented at the annual two-day conference in September and at affiliate meetings.

4. Publications which will help keep you informed. Twice annual newsletters are sent to all members. An additional Annual Report issue includes a list of members' names and addresses, abstracts of papers presented at the annual conference and other reports.

5. Opportunities to participate on Association committees. These include Food, Dairy and Food Industry Equipment, Farm Methods, Education and Professional Improvement, Laboratory Practices, and others.

How to Become Part of it?

All who share the concerns of the Association and who would like to enjoy its benefits are invited to join. A membership application is on the next page.
