Meeting Called to Order: 1:00 p.m., Saturday July 25, 2015.

Minutes Recording Secretary: Wilfredo Ocasio.

Old Business: Approval of meeting minutes.

New Business:
- Election of vice-chair. Two candidates (Wilfredo Ocasio and Daniel Quillen) were introduced and a vote was held. Wilfredo won by a clear majority.
- Emilia Rico reported on successful completion of Spoilage Fungi Workshop.
- Brief talks to stimulate discussion and symposium ideas were given by:
  - Mr. Kevin Smith, FDA, Director of Retail Food Protection Staff, Center for Food Safety and Applied Nutrition. Spoke on the emergence of small scale fermentation in food service, risks and regulatory challenges. Strongly recommended this subject as potential theme for a symposium or roundtable.
  - Dr. Rob Samson, Royal Netherlands Academy of Science (Amsterdam) at the CBS-KNAW Fungal Biodiversity Centre and group leader of the Applied and Industrial Mycology. Spoke on recent changes in fungal taxonomy driven by molecular analysis.
- A brief introduction to a potential workshop topic on ISO standards (see below) was given by Noemie Desriac. Support from PDG was requested to move forward with this workshop.
  - Participant feedback (Barb/Indaue) was that useful guidelines are already available through NACMCF publications. If moving ahead with workshop, side by side comparison should be presented with NACMCF Guidelines so as to assure consistency. However, an ISO standard is valuable because of ISO’s international reach and acceptance.
Recommendations to the Executive Board:
   1. We recommend Wilfredo Ocasio be confirmed by the Board as Vice-Chair of the Beverages and Acid/Acidified Foods PDG.
