In the 2019 meeting.

Should a student be identified, they will be included in the PDG Board Meeting.

Michelle volunteered to reach out to the Outgoing Student PDG Chair to determine if an outgoing Student PDG Board Member would be willing to serve a multi-year term, due to the nature of this Committee.

Surroundings preferred for a student with IAFP experience, and a willingness to serve a multi-year term, due to the nature of this Committee. Michelle volunteered to reach out to the Student PDG to obtain a Student Liaison. A discussion continued about whether we need language, how a quorum is defined, if a recommendation for a Bylaw change is needed, and what, if anything, should the change look like. If less than 50% of a Standing or Special Committee is present while a recommendation to the Board is being made, should that be indicated to the Board. Discussion followed about whether knowing if more than 50% of the Committee was present would make a difference to the Board. The consensus was no – knowing this would not make a difference to the Board in their response to recommendations as it is assumed that the Committees and the Board are working in the best interests of IAFP. The Committee recommends that language be included in the Chair and Vice Chair Handbook to clarify no quorum is needed for PDGs, Standing, or Special Committees. No recommendation to change the Bylaws. Motion – Caroline; Second – Kathy; All in Favor.

Student Liaison for Constitution and Bylaws Committee. As of this meeting, no one from the Constitution and Bylaws Committee had reached out to the Student PDG to obtain a Student Liaison. A discussion surrounded the preference for a student with IAFP experience, and a willingness to serve a multi-year term, due to the nature of this Committee. Michelle volunteered to reach out to the Outgoing Student PDG Chair to determine if an outgoing Student PDG Board Member would be willing to serve in this capacity. Should a student be identified, they will be included in the 2019 meeting.

New Business:

Table Discussion of Roberts Rules of Order. Discussions continued around the recurring need to inform PDG and Committee Chairs and Vice Chairs of Roberts Rules of Order, and how these rules apply to their meetings at IAFP. Much of this information can be obtained from Bill Huntley’s presentation, and Bill, Michelle, and Melanie will draft a one-pager for review by the whole Committee. Recommendation to the Board: The Committee recommends that language be included in the Chair and Vice Chair Handbook to overview the key points of Roberts Rules of Order and their applicability to PDG, Standing, and Special Committee Meetings, and that an annual presentation on Roberts Rules of Order be included in the PDG Chair and Vice Chair’s Saturday Meeting. Motion was made by Caroline Smith-DeWaal, seconded by Jenny Scott and approved.

Current List of Awards in Bylaws. Discussion surrounded the current list of Award Committees, and the names of Awards included in the Bylaws as to whether they are current. How are awards handled through other associations; included or not? If the Bylaws are not up to date, should the language be simplified to remove the names of specific Awards Committees? If the IAFP staff can review the Awards Committee language in the Bylaws for consistency with current awards and practices, and provide this information to the Constitution and Bylaws Committee, the Committee will provide draft language of potential changes to the Executive Board for their February Meeting. Recommendation to the Board: The list of Award Committees in the Bylaws should be reviewed for consistency with current practices. Should changes be required, the IAFP Staff can report back to the Constitutions and Bylaws Committee. Motion was made by Steve Murphy, seconded by Kathy Scott and approved.

Potential New Members. Potential new members were discussed. The Committee believes Andrew Clarke would be a good addition to the Committee.
