At each Annual Meeting, the Association holds its annual Committee meetings. The purpose of the Committee meetings is to provide an opportunity to meet with new and returning Committee members, to exchange ideas/experiences, and to review the Committee’s programs and specific objectives for the coming year. During the Committee meeting, Committee chairpersons should orient new members in an appropriate way, exerting special effort to make them feel welcome and part of the group. It is extremely important for new members to be informed of previous, current, and ongoing issues.

Committees, Professional Development Groups (PDGs) and Task Forces are the professional workforce of the International Association for Food Protection. The Association performs its service to Members, the encompassing professions, and the general public through its Committees, PDGs, and Task Forces. The effectiveness of these services depends primarily on how well these groups carry out their assigned duties and to what extent they exercise imagination and good judgment in doing so. Committees, PDGs, and Task Forces generate and develop new ideas for carrying out existing policies, help to frame new policies, and carry on the programs of activity that correspond with their interest and responsibilities.

From time to time, Committees, PDGs, and Task Forces find it necessary to take action in order for them to fulfill their missions. Since these groups, as well as the actions they take, are representative of the Association as a whole, it is imperative that these actions be taken with prior knowledge and approval of the Executive Board. Any action that requires expenditure of Association resources, or holds itself out to represent the Association in any way, must be approved by the Executive Board prior to implementation.

Each Committee, PDG, and Task Force is assigned a staff liaison and an Executive Board liaison. If there are questions with regard to operating procedures, Committee actions, etc., please contact one of these liaisons.
Involvement in Committees and Professional Development Groups (PDGs) offers Members the opportunity to share a wealth of knowledge and expertise. Committee and PDG members are the architects of the Association structure. They plan, develop and institute many of the Association’s projects, workshops, publications and educational sessions. Technical challenges facing the food safety industry are discussed, examined and debated. Members may volunteer to serve on any number of Committees or PDGs that plan activities to meet the Association’s mission.

Standing Committees
Standing Committees provide operational or functional support to IAFP and shall consist of the following: European Symposium Organizing Committee, Food Protection Trends Management Committee, Journal of Food Protection Management Committee, and Program Committee. Standing Committees shall consist of a Chairperson, Vice Chairperson and other individuals appointed by the President-Elect and confirmed by the Executive Board. Membership appointments shall be for 3-year terms on a rotating basis, with balanced representation from education, government and industry. The Chairperson shall serve a 1- or 2-year term and is normally succeeded by the Vice Chairperson. All appointments may be renewed for one additional term.

Special Committees
Special Committees provide support services to IAFP on a continuous basis. Special Committees of IAFP shall consist of the following: 3-A Committee on Sanitary Procedures; Awards; Black Pearl Selection; Committee on Control of Foodborne Illness; Constitution and Bylaws; Developing Scientist Awards; Fellows Selection; Foundation; Membership; Nominating; Past Presidents’, Tellers, and Webinar. Refer to Bylaws Section VI, B on the following pages for information on Special Committee appointments and terms.

Professional Development Groups
Professional Development Groups (PDGs) are established by the Executive Board at the request of a group of members to promote professional development in specific disciplines or areas of interest, which further the Association’s goals. Participation on a PDG is open to everyone. However, to receive correspondence from the PDG Community through IAFP Connect, membership is required for both IAFP and the PDG. It is especially important that Chairpersons and Vice Chairpersons maintain a current Membership so they can keep in correspondence with their members. Chairpersons and Vice Chairpersons of PDGs shall be recommended for 2-year terms by the members of the PDG prior to the Annual Meeting and are subject to annual review by the Executive Board. The Student PDG is an exception to the term of service as a 1-year term applies. The Vice Chairperson normally succeeds to Chairperson. Before becoming a Chair or Vice Chair, it is highly recommended that the candidate has actively participated in IAFP PDGs for at least two years. Some PDGs have created additional positions such as Secretary or Vice Chair-Elect. These positions are unofficial and the requirements and succession plans are at the discretion of the PDG. If the Chair and/or Vice Chair are unable to fulfill their terms or succession plan, the PDG will determine the best process to replace them and/or adjust the terms of service.

Membership on a PDG is voluntary (not by appointment) and may vary from year to year. Requests for membership on a PDG should be directed to the Chairperson or the prospective member can add their name to a PDG member list through the IAFP website.

Task Forces
Task Forces may be authorized by the Executive Board for special work or assignment that can normally be accomplished within two years. The need for continuation of such Task Forces shall be subject to annual review of the Executive Board. All appointments of Chairpersons and Vice Chairpersons to Task Forces shall be made by the President and shall be subject to annual review of the Executive Board. Proposed members of Task Forces will be designated by the Task Force Chairperson and presented to the Executive Board for confirmation. IAFP Membership is not a requirement for participation on a Task Force.
RESPONSIBILITIES OF CHAIRPERSON

- Refer to the IAFP Bylaws for term of service (page 18).
- Send meeting agenda to your members and the IAFP office in advance of the Committee/PDG Meeting. It should also be posted in your IAFP Connect Community.
- Chair the meeting of your respective Committee, PDG or Task Force.
- Orally review Antitrust Guidelines (“What You Cannot Do”) with your Committee (page 10).
- Lead discussion and encourage Committee, PDG and Task Force Members to submit nominations of worthy candidates for next year’s awards.
- Select a Secretary to record the Minutes. Minutes should be prepared electronically. Use the Minutes’ Word template that is posted on the IAFP website with the handbook materials.
- Please ensure that the following is included in your Minutes:
  1. A numbered list of summarized recommendations in the Section titled: “Recommendations to Executive Board.” The Board will consider only the recommendations recorded in this section – this includes the election of the Vice Chairperson prior to the meeting. See the Committee and PDG Minutes Format Guide on page 12 for more information.
- Save the completed Minutes using your Committee or PDG name (example – Meat and Poultry Safety and Quality PDG).
- The Chairperson should review the Minutes carefully before approving them. Submit the final approved file by email to Dina Siedenburg at dsiedenburg@foodprotection.org within two days after the virtual meeting takes place.
- The Minutes will be copyedited by IAFP staff and published on the IAFP website and in the November/December 2021 issue of FPT.

RESPONSIBILITIES OF VICE CHAIRPERSON

- Assists the Chairperson throughout the year with meetings, email, conference calls and other activities.
- Refer to the IAFP Bylaws for the term of service (page 18).
- Succeeds the Chairperson at the end of their term of service.

RESPONSIBILITIES OF STUDENT LIAISON

- Serves as a communications link between the Student PDG and the specific PDG to which they are assigned.
- PDGs may find additional ways in which to utilize their Student Liaison.
- The term of service is determined by the individual PDG.
CONDUCTING MEETINGS

• Develop an agenda and be sure all members are aware of meeting time and location.
• Notify your staff liaison in advance if you have any additional needs to conduct your meeting.
• Arrive early for the meeting and see that all equipment and materials are in place.
• Begin your meeting promptly at the assigned time.
• Ask members to add any necessary items to the agenda at the beginning of the meeting.
• Orally review Antitrust Guidelines ("What You Cannot Do") with your Committee or PDG (page 10).
• PDGs may loosely follow Roberts Rules of Order to ensure that the voting process is both orderly and clear in the course of the meeting. For example, when voting to approve the previous meeting’s minutes, changes to the agenda, and other topics where a vote is taken, a clearly stated motion, call for the vote, and opportunity to vote for either the passage and rejection of the motion is recommended.
• Be careful not to criticize the viewpoints of others. Give every idea equal merit to make all members comfortable participating in discussions.
• Keep the meeting moving to prevent interest from lagging; postpone minor issues until later if discussion becomes too time consuming, to ensure coverage of all agenda items.
• At the meeting’s conclusion, verify that all members agree the agenda has been covered sufficiently and they have no additional items to discuss.
• Conclude the meeting on time to allow members to attend the next scheduled meeting(s) of their choice.

ANTITRUST GUIDELINES
FOR ASSOCIATION MEETINGS

These are excerpts from Antitrust Guidelines for Associations written by James Anderson of the law firm of Loomis, Owen, Fellman & Howe, based in Washington, D.C.

What You Can Do

1. Discuss better ways to educate and provide meaningful information to association members about the industry.
2. Discuss economic trends, business forecasts, and materials availability, emphasizing that each company is free to use this information in the way it sees fit and should make its own business decisions.
3. Provide a properly structured environment for the exchanging of credit information to protect association members against the financial loss generated by bad credit risks.
4. Discuss federal and state governmental actions and develop industry-wide lobbying efforts.
5. Discuss technological advances and better ways to utilize them.
6. Discuss ways to improve the public image of the industry.

What You Cannot Do

1. Do not enter into any agreements with competitors regarding or affecting prices.
2. Do not discuss your company’s current prices with competitors.
3. Do not agree with competitors on pricing or profit levels.
4. Do not agree with competitors to give or deny cash discounts or promotional allowances.
5. Do not agree with competitors to give or deny credit to a specific customer, or to establish uniform credit terms.
6. Do not agree with competitors to deal or not to deal with any customer or agree on the prices to be charged to a specific customer.
7. Do not discuss allocation of markets.
8. Do not enter into agreements with competitors concerning price quotations or bids.

It is extremely important that association members understand that their conduct at association meetings is regulated by the provisions of the antitrust laws. A thoughtless violation of the antitrust laws by a few members who are competitors could result in expensive protracted litigation, which could destroy the association and/or result in the prosecution of individual members.
COMMITTEE and PDG MINUTES TIMELINE

April – May 2021

- Using IAFP Connect, gather symposium, roundtable and workshop ideas from your members. Also, request ideas for your meeting agenda.

- Contact the IAFP Office to schedule a virtual meeting for your group in June between 9:00 a.m. and 5:00 p.m. Eastern, Monday - Friday. This will provide the opportunity for all of your members to participate in this year’s meeting since many will not be able to attend the meeting in Phoenix, Arizona.

- After your meeting has been scheduled, email the registration link to your members through IAFP Connect and post it in your IAFP Connect Community.

- Email your meeting agenda to your members via IAFP Connect and to the IAFP office by email. Post the agenda in your IAFP Connect Community.

- Identify a secretary to take Minutes during your virtual meeting and provide them with the Minutes Format Guide on page 12 of this handbook.

June 2021

- Conduct your virtual meeting.

- The Chair should review and approve the Minutes after they are completed, then email the file to Dina Siedenburg at dsiedenburg@foodprotection.org within two days after the meeting is held.

If you held an election prior to your meeting for a Chair, Vice Chair and/or Vice Chair-Elect position, please include this in your recommendations.

- The Minutes should be reviewed and approved by the Chair, then the file should be emailed to Dina Siedenburg at dsiedenburg@foodprotection.org, within two days following your virtual meeting.

This is a great way to collaborate with your members for symposium development and other projects.

Chairs and Vice Chairs!

Purpose:
a) To communicate items of pertinent interest to PDG members
b) To facilitate discussion among PDG members
c) To exchange ideas and opportunities to PDG members

Postings will not:
a) Be offensive, threatening, illegal or inflammatory, defamatory or hostile
b) Promote or advertise a commercial product or solicit business for individuals, companies or organizations
c) Promote membership in other organizations
d) Be used for political purposes either within or outside of IAFP
e) Be used for “calls to action” such as lobbying or petitioning
f) Infringe on the rights of the organization or any individual or entity to include privacy, intellectual property or publication rights

IAFP reserves the right to:
• Ban future postings from members who violate the terms and conditions
• Remove or edit comments at any time whether they violate terms or not

Call for Symposium and Roundtable Proposals

Deadline October 5, 2021
(No late submissions will be accepted)

The Program Committee invites International Association for Food Protection Members and other interested individuals to submit a symposium or roundtable proposal for presentation during IAFP 2022.

What is a Symposium?

A symposium is an organized, 1.5, 2 or 3-hour session emphasizing a central theme relating to food safety and usually consists of presenters each giving 30-minute presentations. 1.5-hour sessions are limited to three, 30-minute presentations; 2-hour sessions are limited to four, 30-minute presentations; and 3-hour sessions are limited to six, 30-minute presentations.

Symposia may include a discussion emphasizing a scientific aspect of a common food safety and quality topic, issues of general interest relating to food safety and microbiological quality, a report of recent developments, an update of state-of-the-art methodologies, or a discussion of basic and applied research in a given area. The material covered should include current work and the newest findings. Symposia will be evaluated by the Program Committee for relevance to current science and to Association Members. Proposals may be prepared by individuals, groups of individuals, committees or professional development groups (PDGs). Session proposals and presentations must follow the IAFP Policy on Commercialism.

What is a Roundtable?

A roundtable is a discussion forum of 4 to 6 panelists that is 90 minutes in length with each panelist giving a 5 to 6 minute introduction, followed by time for a discussion (1 hour minimum) that includes audience participation. Panelists are not allowed to give presentations and should have no slides. Roundtable convenors cannot also be panelists. Proposals may be prepared by individuals, groups of individuals, committees or professional development groups (PDGs).

Submission Instructions

Proposals must be submitted using the Association’s online submission program at www.foodprotection.org. At this stage, contact potential presenters or panelists to let them know that you are including their name in the proposal. Inform them that you will not know if the proposed session is accepted until after the November 11 notification date. Proposals are due October 5, 2021. No late submissions will be accepted.

Presenters Who are Not Members

The International Association for Food Protection does not reimburse invited presenters for travel, hotel, or other expenses incurred during the Annual Meeting. However, invited presenters who are not Association Members will receive a complimentary Annual Meeting registration. Presenters who are Association Members are expected to pay normal registration fees.

Travel Support

The International Association for Food Protection Foundation has offered limited funds for travel support of presenters. After final acceptance of the proposal (March 2021), organizers may submit an application to apply for travel support for speakers(s). REQUESTS SHOULD ONLY BE SUBMITTED WHERE A SINCERE NEED IS DEMONSTRATED BY THE SPEAKER. This travel support is not intended to fully pay travel expenses for speakers, but is intended to defray the total travel expense. Only speakers are eligible to receive travel support. Roundtable Panelists,
Convenors and Organizers are not eligible for travel support. Only one request per 1.5 or 2-hour sessions and two requests for 3-hour sessions will be considered.

Requests are reviewed on an individual and on a first-come, first-served basis until the funds are depleted. A maximum of $1,000 per North American speaker, $2,000 for European and South American speakers and $2,500 for other international speakers may be available. Organizers are welcome to seek funding from other sources and the Association will provide recognition for these supporters in our program materials. Organizers are asked to inform the Association if they obtain outside funding for speaker travel.

Organizers and convenors must pay registration fees and are not eligible for travel support.

Selection Procedure

The primary focus of the proposal selection procedure is to provide a balanced educational program for attendees of the IAFF Annual Meeting. To achieve this goal, proposals may be combined or modified by the Program Committee during their initial or final review, as appropriate, to prevent overlap of topics among competing sessions. The Program Committee also reserves the right to suggest alternative speakers and/or topics in an effort to round out the program. During the selection process, only the most relevant and promising proposals will be selected for further development.

Submission Guidelines

1. Proposals must be pertinent to IAFF Members and PDGs. Priority will be given to proposals that address one or more of the following program areas:

- Safety and Microbial Quality of Foods (Dairy, Meat and Poultry, Seafood, Produce, Water)
- Viruses and Parasites, Retail Food Safety, Epidemiology and Public Health
- Non-microbiology Food Safety Issues (food defense, food toxicology, allergens, chemical contaminants)
- General-applied Food Safety Microbiology (for example, advances in sanitation, laboratory methods, quality assurance, food safety systems)
- General-food Protection for the Future (risk analysis, emerging pathogens, biotechnology, predictive models, etc.)
- Developments in Food Safety Education
- Other pertinent food protection topics may be considered if space is available

2. In addition to addressing pertinent program areas, proposals accepted for further development should:

- Be new, emerging and/or address areas not covered in last 2 years
- If covered in last 2 years, provide new information that warrants another session

3. Submissions must include:

- Titles that clearly convey the topics to be covered
- Topics that are unique to prevent overlap of basic information among speakers
- Names of suggested speakers from a variety of backgrounds, such as industry, regulatory, academic researchers, or consumer perspective (as appropriate)
- Suggested speakers who are knowledgeable and good communicators

4. Special consideration will be given to submissions that:

- Are directly applicable or provide viable safety options for food manufacturers, including small- to medium-size manufacturers
- Bring an international (outside of North America) focus or viewpoint to the meeting
- Attract or involve students
- Attract or involve local area members who would not otherwise attend the Annual Meeting (e.g., regional specialties like shellfish issues for Gulf States)
- Would attract members of a new PDG or program area that IAFF is trying to develop or encourage

5. Other considerations:

- The Program Committee reserves the right to limit the number of sessions devoted to a single topic area to provide a balanced program.
- A person should have no more than three roles (speaking, convening, organizing, or serving on the panel).
- If relevant topics are proposed by more than one submission, the Program Committee will make the final decision to combine or modify proposals as appropriate to avoid overlap of topics among competing proposals. In this case, organizers may be asked to work with one another to combine proposals.
- The IAFF Program Committee reserves the right to review proposals, including proposed subjects and speakers, and make modifications (including speaker replacement recommendations) in order to provide the most
comprehensive and balanced program. Invited speakers need to be made aware of these conditions when they are contacted.

- Due to space and time limitations, only the most relevant and promising proposals will be selected for further development. Again, the Program Committee will make final decisions regarding symposium breadth and length.
- Selected sessions will be reserved for symposia sponsored by our partner, the International Life Science Institute North America (ILSI N.A.). The ILSI N.A. symposia address topics that are of general interest to IAFP meeting attendees, focusing on emerging food safety issues and technologies, and provide a global perspective.
- Additional sessions may be added at the discretion of the Program Committee or Executive Board to accommodate emerging issues.

Call for Workshop Proposals

Deadline October 5, 2021
(Late submissions will NOT be accepted)

The Program Committee invites International Association for Food Protection Members and other interested individuals to submit a pre-meeting workshop proposal for IAFP 2022.

What is a Workshop?
A workshop consists of a one- to two-day program and is organized with a central theme relating to food safety. Workshops should include active participation from attendees. Workshops will be held on the Friday (July 16) and/or Saturday (July 17) prior to the Annual Meeting. Workshop proposals will be evaluated by the Program Committee for relevance to current science and to Association Members. Individuals, committees, or professional development groups may prepare proposals. Workshop presentations must follow the IAFP Policy on Commercialism.

Submission Guidelines
To submit a workshop proposal, complete the online Workshop Proposal submission. The title of the workshop, name, address, phone, and email of the person(s) organizing the workshop; topics for presentation, suggested instructors, affiliations; and description of intended audience to which this topic would be of greatest interest must be included. Instructors will be limited to no more than six for a 2-day workshop and no more than four for a 1-day workshop. If organizers are going to give presentations, include their names as instructors.

When submitting a proposal, the instructors should be tentatively confirmed. Final confirmation of instructors will take place after acceptance of your workshop proposal. A tentative agenda must be included with the submission.

Logistics
Workshops held in conjunction with IAFP’s Annual Meeting will be organized by IAFP. IAFP will arrange for the classroom, audiovisual equipment, course materials (printing, notebooks, etc.) and food and beverage. IAFP will also assume responsibility for profit or loss from the financial aspects of the workshop.

IAFP encourages workshop organizers to minimize the amount of speaker support for workshops (this enables us to keep the attendee registration cost economical). IAFP does not pay speaker or instructor fees. IAFP may provide airfare and travel expense, if a sincere need is expressed. If a workshop instructor normally attends the Annual Meeting, it is expected that they will pay their own airfare.

Workshop organizers will coordinate the agenda timing and topics that each speaker will present. Organizers are also responsible to collect handout materials from each speaker in advance so that notebooks can be prepared in advance by IAFP.

Proposal Deadline
Workshop proposals must be submitted through the online system no later than October 5, 2021 (no late submissions will be accepted). Workshop proposals will be reviewed by the IAFP Program Committee and notification of first review decisions will be issued by December 6, 2021. Selected proposals must be finalized by January 18, 2022. Notifications of final decisions will be issued by March 4, 2022.

Have an Idea, but You are Unable to Organize It?
Many Association Members have excellent suggestions for workshop topics, but are unable to organize the program. Such ideas are extremely valuable and are welcome. If you have an idea, please contact the IAFP office as soon as possible.
