PURPOSE OF MEETINGS

At each Annual Meeting, the Association holds its annual Committee meetings. The purpose of the Committee meetings is to provide an opportunity to meet with new and returning Committee members, to exchange ideas/experiences, and to review the Committee’s programs and specific objectives for the coming year. During the Committee meeting, Committee chairpersons should orient new members in an appropriate way, exerting special effort to make them feel welcome and part of the group. It is extremely important for new members to be informed of previous, current, and ongoing issues.

Committees, Professional Development Groups (PDGs), Councils and Task Forces are the professional workforce of the International Association for Food Protection. The Association performs its service to Members, the encompassing professions, and the general public through its Committees, PDGs, and Task Forces. The effectiveness of these services depends primarily on how well these groups carry out their assigned duties and to what extent they exercise imagination and good judgment in doing so. Committees, PDGs, Councils and Task Forces generate and develop new ideas for carrying out existing policies, help to frame new policies, and carry on the programs of activity that correspond with their interest and responsibilities.

From time to time, Committees, PDGs, Councils and Task Forces find it necessary to take action in order for them to fulfill their missions. Since these groups, as well as the actions they take, are representative of the Association as a whole, it is imperative that these actions be taken with prior knowledge and approval of the Executive Board. Any action that requires expenditure of Association resources, or holds itself out to represent the Association in any way, must be approved by the Executive Board prior to implementation.

Each Committee, PDG, Council and Task Force is assigned a staff liaison and an Executive Board liaison. If there are questions with regard to operating procedures, Committee actions, etc., please contact one of these liaisons.
Involvement in Committees and Professional Development Groups (PDGs) offers Members the opportunity to share a wealth of knowledge and expertise. Committee and PDG members are the architects of the Association structure. They plan, develop and institute many of the Association’s projects, workshops, publications and educational sessions. Technical challenges facing the food safety industry are discussed, examined and debated. Members may volunteer to serve on any number of Committees or PDGs that plan activities to meet the Association’s mission.

**Standing Committees**
Standing Committees provide operational or functional support to IAFP and shall consist of the following: European Symposium Organizing Committee, Food Protection Trends Management Committee, Journal of Food Protection Management Committee, and Program Committee. Standing Committees shall consist of a Chairperson, Vice Chairperson and other individuals appointed by the President-Elect and confirmed by the Executive Board. Membership appointments shall be for 3-year terms on a rotating basis, with balanced representation from education, government and industry. The Chairperson shall serve a 1- or 2-year term and is normally succeeded by the Vice Chairperson. All appointments may be renewed for one additional term.

**Special Committees**
Special Committees provide support services to IAFP on a continuous basis. Special Committees of IAFP shall consist of the following: 3-A Committee on Sanitary Procedures; Awards; Black Pearl Selection; Committee on Control of Foodborne Illness; Constitution and Bylaws; Developing Scientist Awards; Fellows Selection; Foundation; Membership; Nominating; Past Presidents’, Tellers, and Webinar. Refer to Bylaws Section VI, B on the following pages for information on Special Committee appointments and terms.

**Professional Development Groups**
Professional Development Groups (PDGs) are established by the Executive Board at the request of a group of members to promote professional development in specific disciplines or areas of interest, which further the Association’s goals. Participation on a PDG is open to everyone. However, to receive correspondence from the PDG Community through IAFP Connect, membership is required for both IAFP and the PDG. It is especially important that Chairpersons and Vice Chairpersons maintain a current Membership so they can keep in correspondence with their members. Chairpersons and Vice Chairpersons of PDGs shall be recommended for 2-year terms by the members of the PDG prior to the Annual Meeting and are subject to annual review by the Executive Board. The Student PDG is an exception to the term of service as a 1-year term applies. The Vice Chairperson normally succeeds to Chairperson. Before becoming a Chair or Vice Chair, it is highly recommended that the candidate has actively participated in IAFP PDGs for at least two years. Some PDGs have created additional positions such as Secretary or Vice Chair-Elect. These positions are unofficial and the requirements and succession plans are at the discretion of the PDG. If the Chair and/or Vice Chair are unable to fulfill their terms or succession plan, the PDG will determine the best process to replace them and/or adjust the terms of service.

Membership on a PDG is voluntary (not by appointment) and may vary from year to year. Requests for membership on a PDG should be directed to the Chairperson or the prospective member can add their name to a PDG member list through the IAFP website.

**Task Forces**
Task Forces may be authorized by the Executive Board for special work or assignment that can normally be accomplished within two years. The need for continuation of such Task Forces shall be subject to annual review of the Executive Board. All appointments of Chairpersons and Vice Chairpersons to Task Forces shall be made by the President and shall be subject to annual review of the Executive Board. Proposed members of Task Forces will be designated by the Task Force Chairperson and presented to the Executive Board for confirmation. IAFP Membership is not a requirement for participation on a Task Force.
RESPONSIBILITIES OF CHAIRPERSON

- Refer to the IAFP Bylaws for term of service (page 19).
- Send meeting agenda to your members in advance of the Committee/PDG Meeting. It should also be posted in your IAFP Connect Community.
- Chair the meeting of your respective Committee, PDG or Task Force.
- Orally review Antitrust Guidelines (“What You Cannot Do”) with your Committee (page 12).
- Lead discussion and encourage Committee, PDG and Task Force Members to submit nominations of worthy candidates for next year’s awards.
- **Select a Secretary to record the Minutes.** Minutes should be prepared electronically. Use the Minutes’ Word template that is posted on the IAFP website with the handbook materials (page 15 & 16).
- Please ensure that the following is included in your Minutes:
  1. A numbered list of summarized recommendations in the Section titled: “Recommendations to Executive Board.” **The Board will consider only the recommendations recorded in this section – this includes the election of the Vice Chairperson prior to the meeting.** See the Committee and PDG Minutes Format Guide on page 14 for more information.
- Save the completed Minutes using your Committee or PDG name (example – Meat and Poultry Safety and Quality PDG).
- **The Chairperson should review the Minutes carefully before approving them.** Submit the final approved file by email to Dina Siedenburg at dsiedenburg@foodprotection.org by 1:00 pm Tuesday, July 16, 2024.
- The Minutes will be copyedited by IAFP staff and published on the IAFP website and in the November/December 2024 issue of FPT.

RESPONSIBILITIES OF VICE CHAIRPERSON

- Assists the Chairperson throughout the year with meetings, email, conference calls and other activities.
- Refer to the IAFP Bylaws for the term of service (page 19).
- Succeeds the Chairperson at the end of their term of service.

RESPONSIBILITIES OF STUDENT LIAISON

- Serves as a communications link between the Student PDG and the specific PDG to which they are assigned.
- PDGs may find additional ways in which to utilize their Student Liaison.
- The term of service is determined by the individual PDG.
CONDUCTING MEETINGS

• Develop an agenda and be sure all members are aware of meeting time and location.
• Notify your staff liaison in advance if you have any additional needs to conduct your meeting.
• Arrive early for the meeting and see that all equipment and materials are in place.
• Begin your meeting promptly at the assigned time.
• Ask members to add any necessary items to the agenda at the beginning of the meeting.
• Orally review Antitrust Guidelines ("What You Cannot Do") with your Committee or PDG (page 12).

• PDGs may loosely follow Roberts Rules of Order to ensure that the voting process is both orderly and clear in the course of the meeting. For example, when voting to approve the previous meeting’s minutes, changes to the agenda, and other topics where a vote is taken, a clearly stated motion, call for the vote, and opportunity to vote for either the passage and rejection of the motion is recommended.
• Be careful not to criticize the viewpoints of others. Give every idea equal merit to make all members comfortable participating in discussions.
• Keep the meeting moving to prevent interest from lagging; postpone minor issues until later if discussion becomes too time consuming, to ensure coverage of all agenda items.
• At the meeting’s conclusion, verify that all members agree the agenda has been covered sufficiently and they have no additional items to discuss.
• Conclude the meeting on time to allow members to attend the next scheduled meeting(s) of their choice.
AGENDA EXAMPLE

Name of Committee, Council or PDG
Date and Time of Meeting
Location and Room Number or Virtual Meeting

AGENDA

Call to Order
1. Welcome remarks
2. Introductions
3. Appoint recording secretary
4. Review Antitrust Guidelines and read announcements

Old Business
1. Summary and approval of previous year’s minutes
2. Other old business

New Business
1. Presentations
   a.
2. Symposia/Roundtables Submitted for Current Annual Meeting
   a.
3. Discussion topics
   a.
4. Discuss symposium, roundtable, workshop and/or webinar topics for IAFP 2024 Annual Meeting
   a.

Recommendations to the Executive Board (include incoming Vice Chair if newly elected)
1.
2.

Next Meeting Date and Location

Meeting Adjourned
ANTITRUST GUIDELINES
FOR ASSOCIATION MEETINGS

These are excerpts from *Antitrust Guidelines for Associations* written by James Anderson of the law firm of Loomis, Owen, Fellman & Howe, based in Washington, D.C.

**What You Can Do**

1. Discuss better ways to educate and provide meaningful information to association members about the industry.
2. Discuss economic trends, business forecasts, and materials availability, emphasizing that each company is free to use this information in the way it sees fit and should make its own business decisions.
3. Provide a properly structured environment for the exchanging of credit information to protect association members against the financial loss generated by bad credit risks.
4. Discuss federal and state governmental actions and develop industry-wide lobbying efforts.
5. Discuss technological advances and better ways to utilize them.
6. Discuss ways to improve the public image of the industry.

**What You Cannot Do**

1. Do not enter into any agreements with competitors regarding or affecting prices.
2. Do not discuss your company’s current prices with competitors.
3. Do not agree with competitors on pricing or profit levels.
4. Do not agree with competitors to give or deny cash discounts or promotional allowances.
5. Do not agree with competitors to give or deny credit to a specific customer, or to establish uniform credit terms.
6. Do not agree with competitors to deal or not to deal with any customer or agree on the prices to be charged to a specific customer.
7. Do not discuss allocation of markets.
8. Do not enter into agreements with competitors concerning price quotations or bids.

It is extremely important that association members understand that their conduct at association meetings is regulated by the provisions of the antitrust laws. A thoughtless violation of the antitrust laws by a few members who are competitors could result in expensive protracted litigation, which could destroy the association and/or result in the prosecution of individual members.
MINUTES TIMELINE

1:00 pm Tuesday, July 16, 2024

- Deadline for final Minutes’ sent to Dina Siedenburg at the IAFP office: dsiedenburg@foodprotection.org

November/December 2024

- Minutes will be published on the IAFP website and in the November/December 2024 issue of FPT.
Use the following guide for preparing Minutes.

Select a recording secretary and share this information with them.

- Use the Minutes template (Committee or PDG) that is provided on the IAFP website with the handbook materials under Supporting Documents. This will provide you with the appropriate font, indentations and line spacing. It is important that each group use the same formatting for publication purposes.

- Minutes should summarize activities and be stated in paragraph form. **Do Not use a Multi-Level List or Bullet Points.** Only the Recommendations to the Executive Board should be numbered. If you held an election prior to your meeting for a Chair, Vice Chair and/or Vice Chair-Elect position, please include this in your recommendations.

- The Minutes should be reviewed and approved by the Chair, then the document should be emailed to Dina Siedenburg at dsiedenburg@foodprotection.org, by 1:00 pm Tuesday, July 16, 2024.

Minutes templates are provided on pages 15 & 16. Please use the appropriate template for your group.
Minutes Template for PDG Meetings Only:

Name of PDG:

Names of Attendees: Leave blank. IAFP Staff will complete.

Total Number of Attendees:

Meeting Called to Order: (include Day & Date, Time)

Minutes Recording Secretary:

Old Business: (Summarizing paragraphs only). Do Not use a List (Multi-Level List or Bullet Points.)
Approve the previous year’s meeting minutes

New Business: (Summarizing paragraphs only). Do Not use a List (Multi-Level List or Bullet Points.)

Numbered List of Recommendations to the Executive Board:
1. Only recommendations included in this section will be addressed by the Board.
2. Include recommendations for approval of Chairs and/or Vice Chairs elected prior to or at the meeting, issues that would involve use of the IAFP name or logo, and/or requests for project funding.
3. NOTE: Do not include requests to approve symposium, roundtable and workshop proposals as recommendations. This is the function of the Program Committee which meets at a later date to review all proposals.

Next Meeting Date: (day, date, city, state)

Meeting Adjourned: ENTER TIME HERE

International Association for Food Protection
Committee and Professional Development Group (PDG)
Communication Guidelines

IAFP Connect is the IAFP online meeting place for IAFP Members

In 2019, IAFP Connect began serving as the primary means of communication for Professional Development Groups and Committees through the PDG and Committee communities. Communities allow members to participate in discussions and share resources with other members; thus, improving communication. This is a great way to collaborate with your members for symposium development and other projects.

**Chairs and Vice Chairs!**

Please encourage non-IAFP Members who contact you requesting to join your PDG to become an IAFP Member so they can participate through IAFP Connect and also remind your members to keep their IAFP Memberships up to date or they will no longer have access to IAFP Connect.

**Purpose:**

a) To communicate items of pertinent interest to PDG members
b) To facilitate discussion among PDG members
c) To exchange ideas and opportunities to PDG members

**Postings will not:**

a) Be offensive, threatening, illegal or inflammatory, defamatory or hostile
b) Promote or advertise a commercial product or solicit business for individuals, companies or organizations
c) Promote membership in other organizations
d) Be used for political purposes either within or outside of IAFP
e) Be used for “calls to action” such as lobbying or petitioning
f) Infringe on the rights of the organization or any individual or entity to include privacy, intellectual property or publication rights

IAFP reserves the right to:

- Ban future postings from members who violate the terms and conditions
- Remove or edit comments at any time whether they violate terms or not

**IAFP does not provide email lists. All group correspondence takes place via IAFP Connect.**

Revised May 2024
Read This Statement

This document was prepared by a group of individuals and represents the authors’ opinions and views. The International Association for Food Protection does not warrant, either expressly or by implication, the factual accuracy of the articles or descriptions herein, nor does it warrant any views or opinions offered by the authors of said articles and descriptions. Such external Internet addresses contain information created, published, maintained, or otherwise posted by organizations and companies that are wholly independent from the Association. The Association does not endorse or control these external Internet addresses, and does not guarantee the accuracy, completeness, efficacy, timeliness, or correct sequencing of information located at such addresses.
STANDING COMMITTEES, SPECIAL COMMITTEES, PROFESSIONAL DEVELOPMENT GROUPS and TASK FORCES

Any person serving on an IAFP Committee, or as an appointed representative of IAFP, shall be a current regular, student, retired, honorary life member or sustaining member of IAFP except as may be noted for specific committees. All meetings are open to Members and non-members of IAFP. IAFP Membership is not a requirement for participation on a Professional Development Group or Task Force; however, only IAFP Members may serve as chairpersons or vice chairpersons. Committee chairpersons and vice chairpersons will be appointed preceding the Annual Meeting. The terms of office of all chairpersons and vice chairpersons shall begin at the IAFP Annual Meeting following their appointment or at a date designated by the President-Elect, except as provided elsewhere in the Bylaws.

A. Standing Committees

1. Standing Committees provide operational or functional support to IAFP and shall consist of the following: Food Protection Trends Management Committee, Journal of Food Protection Management Committee, Program Committee and European Symposium Organizing Committee.

1.1 Journal Management Committees

The Journal Management Committees (Food Protection Trends Management Committee and Journal of Food Protection Committee) shall consist of a chairperson, vice chairperson and other individuals appointed by the President-Elect and confirmed by the Executive Board. Membership appointments shall be for 3-year terms on a rotating basis, with balanced representation from education, government and industry. The chairperson shall serve a 2-year term and is normally succeeded by the vice chairperson. All appointments may be renewed for one additional term.

1.1.1 The Journal Management Committees shall provide guidance to the Executive Board on matters concerning the journals.

1.2 Program Committee

The Program Committee shall consist of a chairperson, vice chairperson and other individuals appointed by the President-Elect and confirmed by the Executive Board. Membership appointments shall be for 3-year terms on a rotating basis with balanced representation from education, government and industry. The chairperson shall serve a 1-year term and is normally succeeded by the vice-chairperson. All appointments may be renewed for one additional term. The Program Committee shall:

1.2.1 Develop the scientific and technical content of the Annual Meeting program;
1.2.2 Evaluate abstracts of submitted papers;
1.2.3 Identify symposia and speakers;
1.2.4 Identify convenors for symposia and technical sessions;
1.2.5 Establish the timetable for all symposia and technical sessions;

1.2.6 Meet at each Annual Meeting and other times as deemed necessary; and

1.2.7 Oversee Developing Scientist Awards Committee.

1.3 European Symposium Organizing Committee

The European Symposium Organizing Committee shall consist of a chairperson, vice chairperson and other individuals recommended by the European Symposium Organizing Committee and confirmed by the Executive Board. Appointments shall be for 3-year terms on a rotating basis with representation from education, government and industry. The chairperson shall serve a 1-year term and is normally succeeded by the vice chairperson. All appointments may be renewed for one additional term. Special consideration will be made to include representatives from IAFP partner organizations who may serve continuous terms. The European Symposium Organizing Committee shall:

1.3.1 Develop the scientific and technical content of the European Symposium on Food Safety;

1.3.2 Evaluate abstracts of submitted papers;

1.3.3 Identify symposia and speakers;

1.3.4 Identify convenors for symposia and technical sessions;

1.3.5 Establish the timetable for all symposia and technical sessions;

1.3.6 Meet at each European Symposium and other times as deemed necessary; and

1.3.7 Oversee competition(s) at the symposium.

B. Special Committees

1. Special Committees provide support services to IAFP on a continuous basis. Special Committees of IAFP shall consist of the following: 3-A Committee on Sanitary Procedures, Audiovisual Library, Awards, Black Pearl Selection, Committee on Control of Foodborne Illness, Constitution and Bylaws, Developing Scientist Award, Fellows Selection, Foundation, Membership, Nominating, Past Presidents’, Tellers, and Webinar.

1.1 3-A Committee on Sanitary Procedures

The 3-A Committee on Sanitary Procedures (CSP) shall consist of a chairperson and vice chairperson recommended by the President-Elect and confirmed by the Executive Board. The chairperson, subject to the Executive Board’s review shall appoint other committee members. CSP members do not need to be IAFP members to participate on this committee. All appointments shall be for 2-year renewable terms.
1.2 Awards Committee

The Awards Committee is under the jurisdiction of the Affiliate Council. The chairperson of the Awards Committee is the Immediate Past Affiliate Council Chairperson.

1.2.1 IAFP Awards:

The Awards Committee is responsible for selecting recipients for IAFP awards, from nominations received by the Executive Director, unless otherwise designated by the Bylaws. Selection guidelines are established and approved by the Executive Board. The following awards are under the purview of the Awards Committee:

- Educator
- Food Safety Innovation
- Harold Barnum Industry
- Harry Haverland Citation
- International Leadership
- Maurice Weber Laboratorian
- Sanitarian

The Awards Committee consists of designated sub-committees responsible for selecting recipients of each of the above individual awards. Each award selection sub-committee consists of three members. The Awards Committee Chairperson (Immediate Past Affiliate Council Chairperson) will recommend members for 3-year appointments with staggered terms to be confirmed by the Executive Board. In their third year of service, a member is designated to serve as chairperson of the individual award selection committee.

1.2.2 Affiliate Awards

- C.B. Shogren Memorial
- Other Affiliate Awards as designated by the Affiliate Council

Recipients of the C.B. Shogren Memorial and other Affiliate Awards are selected by a committee consisting of the Chairperson and Secretary of the Affiliate Council and the Immediate Past Affiliate Council Chairperson based on information submitted as part of the Affiliate Annual Reports.

1.3 Black Pearl Selection Committee

The Black Pearl Selection Committee shall consist of a chairperson (the Immediate Past President), and four other individuals recommended by the chairperson to the President-Elect and confirmed by the Executive Board. At least one member of the committee shall have served the preceding year. The Black Pearl Selection Committee selects the recipient of the Black Pearl Award from nominations received by the Executive Director.
1.4 Committee on Control of Foodborne Illness

The Committee on Control of Foodborne Illness shall consist of a chairperson and vice chairperson recommended by the President-Elect and confirmed by the Executive Board. The chairperson, subject to the Executive Board’s review shall appoint other committee members. All appointments shall be for 2-year renewable terms. The Committee on Control of Foodborne Illness shall:

1.4.1 Review information on epidemiology and control of communicable diseases that are of primary concern to food safety and related areas; and

1.4.2 Prepare manuals and articles addressing investigation and control of problems related to food safety.

1.5 Constitution and Bylaws Committee

The Constitution and Bylaws Committee shall consist of a chairperson, vice chairperson, and other individuals recommended to the President-Elect and confirmed by the Executive Board. All appointments shall be for 2-year renewable terms. At least one member of the committee will have served on the committee the preceding year. The Constitution and Bylaws Committee shall:

1.5.1 Review and study the Constitution and Bylaws of IAFP; and

1.5.2 Make recommendations to the Executive Board for changes to be considered for submission to the membership for ratification.

1.6 Developing Scientist Awards Committee

The Developing Scientist Awards Committee is under direction of the Program Committee. The vice chairperson of the Program Committee serves as the chairperson of the Developing Scientist Awards Committee on an annual basis and selects individuals to assist in the judging of the Developing Scientist Awards Competition at the IAFP Annual Meeting.

1.7 Fellows Selection Committee

The Fellows Selection Committee shall be chaired by the Immediate Past President and consist of at least 3 other Fellows recommended by the chairperson to the President-Elect and confirmed by the Executive Board. The Fellows Selection Committee solicits nominations and makes recommendations to the Executive Board for eligible members to be confirmed as Fellows by the Executive Board.

1.7.1 Any Regular, Retired, Honorary Life or Sustaining Member who has contributed to IAFP and its Affiliates with distinction over an extended period of time may be selected by the Fellows Selection Committee for consideration to become a Fellow of the Association by action of the Executive Board. Special benefits accorded Fellows shall be determined by the Executive Board.
BYLAWS, SECTION VI Continued

1.8 Foundation Committee

The Foundation Committee shall consist of the President, President-Elect and Vice President of IAFP and a chairperson and vice chairperson recommended by the President-Elect for confirmation by the Executive Board. The chairperson and vice chairperson shall serve in those positions for no more than two consecutive terms. The chairperson shall recommend other individuals to the President-Elect for confirmation by the Executive Board. Appointed membership (including the chairperson and vice chairperson) shall be balanced with equal representation from industry, government and education. All appointments shall be for 3-year renewable terms. The Foundation Committee shall:

1.8.1 Oversee IAFP Foundation monies;
1.8.2 Solicit gifts to the Foundation; and
1.8.3 Identify and fund programs which further the goals and objectives of the Foundation and IAFP.

1.9 Membership Committee

The Membership Committee shall consist of a chairperson and vice chairperson recommended by the President-Elect and confirmed by the Executive Board. The chairperson, subject to the Executive Board’s review, shall appoint other committee members. All appointments shall be for 2-year renewable terms. The Membership Committee shall:

1.9.1 Promote IAFP membership to potential new members; and
1.9.2 Assist in retaining current IAFP members.

1.10 Nominating Committee

The Nominating Committee shall consist of a chairperson, vice chairperson and other individuals appointed by the President-Elect and confirmed by the Executive Board. Membership appointments shall be for 2-year terms on a rotating basis, with balanced representation from education, government and industry and the members should be representative of geographic regions. The chairperson shall serve a 1-year term and is normally succeeded by the vice chairperson.

1.10.1 The name of the Nominating Committee chairperson shall be announced in Food Protection Trends, following the Annual Meeting, together with the deadline date for IAFP members to nominate a candidate(s) for office(s).

1.10.2 The Nominating Committee will select and the chairperson shall submit the names of at least two nominees for the office of Secretary or other open Board position to the Executive Director as directed by the Executive Board. The nominees’ names, with pictures and biographical sketches, shall be provided to the membership not later than April 1 of the year in which the election is to be held.
1.10.3 Ballots shall be provided by the Executive Director as directed by the Executive Board and must be returned to the Association office by the established deadline, for checking against the IAFP eligible voter list. The Tellers Committee will oversee the election and certify the results.

1.10.4 Voting by proxy, or electronic voting, shall be permitted only in the election of the Secretary according to procedures established by the Executive Board.

1.10.4.1 The nominee receiving the greatest number of votes shall be certified to the President, by the chairperson of the Tellers Committee, at least two months in advance of the Annual Meeting.

1.11 Past Presidents’ Committee

The Past Presidents’ Committee shall be composed of Past Presidents of IAFP.

1.11.1 An IAFP Past President, will serve for a 1-year term as chairperson of the committee and the Immediate Past President will serve one year as vice chairperson.

1.11.2 In the absence of all Executive Board members due to illness, death, resignation, or prolonged absence, this committee would select interim officers until new officers are elected.

1.11.3 The Past Presidents’ Committee will be available to advise the Executive Board on IAFP matters.

1.12 Tellers Committee

The Tellers Committee shall consist of a chairperson recommended by the President-Elect and confirmed by the Executive Board. The chairperson, subject to the Executive Board’s review, shall appoint other committee members as necessary. All appointments shall be for 1-year terms. The Tellers Committee shall:

1.12.1 Oversee and certify the results of each election and other membership votes.

1.13 Webinar Committee

The Webinar Committee shall consist of a chairperson and vice chairperson recommended by the President-Elect and confirmed by the Executive Board. The chairperson, subject to the Executive Board’s review shall appoint other committee members. All appointments shall be for 2-year renewable terms. The Webinar Committee shall:

1.13.1 Review and decide on proposals for IAFP Webinars;

1.13.2 Establish Webinar topics and design Webinar series.
C. Professional Development Groups

1. Professional Development Groups (PDGs) are established by the Executive Board at the request of a group of members to promote professional development in specific disciplines or areas of interest which further the Association’s goals. IAFP Membership is not a requirement for participation on a PDG; however, only IAFP Members may serve as chairpersons or vice chairpersons.

   1.1 Chairpersons and vice chairpersons of PDGs shall be recommended for 2-year terms by the members of the PDG prior to the Annual Meeting and are subject to annual review by the Executive Board. The chairperson and vice chairperson must be IAFP Members. The vice chairperson normally succeeds to chairperson.

   1.2 Membership on a PDG is voluntary (not by appointment) and may vary from year to year. Requests for membership on a PDG should be directed to the chairperson.

D. Task Forces

1. Task Forces may be authorized by the Executive Board for special work or assignment which can normally be accomplished within two years. The need for continuation of such Task Forces shall be subject to annual review of the Executive Board.

   1.1 All appointments of chairpersons and vice chairpersons to Task Forces shall be made by the President and shall be subject to annual review of the Executive Board. Proposed members of Task Forces will be designated by the Task Force Chairperson and presented to the Executive Board for confirmation.

   1.2 IAFP Membership is not a requirement for participation on a Task Force.
Call for Symposium and Roundtable Proposals

Deadline: October 1, 2024
(No late submissions will be accepted)

The Program Committee invites International Association for Food Protection Members and other interested individuals to submit a symposium or roundtable proposal for presentation during IAFP 2025.

What is a Symposium?

A symposium is an organized, 1.5, 2 or 3-hour session emphasizing a central theme relating to food safety and usually consists of presenters each giving 30-minute presentations.

<table>
<thead>
<tr>
<th>Length of Session</th>
<th>Maximum Number of Presentations</th>
</tr>
</thead>
<tbody>
<tr>
<td>1.5 hour</td>
<td>3</td>
</tr>
<tr>
<td>2 hours</td>
<td>4</td>
</tr>
<tr>
<td>3 hours</td>
<td>6</td>
</tr>
</tbody>
</table>

Symposia may include a discussion emphasizing a scientific aspect of a common food safety and quality topic, issues of general interest relating to food safety and microbiological quality, a report of recent developments, an update of state-of-the-art methodologies, or a discussion of basic and applied research in a given area. The material covered should include current work and the newest findings. Symposia will be evaluated by the Program Committee for relevance to current science and to Association Members. Proposals may be prepared by individuals, groups of individuals, committees or professional development groups (PDGs). Session proposals and presentations must follow the IAFP Policy on Commercialism.

What is a Roundtable?

A roundtable is a discussion forum of four to six panelists that is 90 minutes in length with each panelist giving a five-to-six-minute introduction, followed by time for a discussion (1 hour minimum) that includes audience participation. Panelists are not allowed to give presentations and should have no slides. Roundtable convenors cannot also be panelists. Proposals may be prepared by individuals, groups of individuals, committees or professional development groups (PDGs).

Submission Instructions

Proposals must be submitted using the Association’s online submission program at www.foodprotection.org. At this stage, contact potential presenters or panelists to let them know that you are including their name in the proposal. Inform them that you will not know if the proposed session is accepted until after the November 15 notification date. Proposals are due October 1, 2024. No late submissions will be accepted.

Presenters Who are Not Members

The International Association for Food Protection does not reimburse invited presenters for travel, hotel, or other expenses incurred during the Annual Meeting. However, invited presenters who are not Association
Travel Support

The International Association for Food Protection Foundation has limited funds for travel support of presenters. After final acceptance of the proposal (March 2025), presenters may submit an application to apply for travel support. REQUESTS SHOULD ONLY BE SUBMITTED WHERE A SINCERE NEED IS DEMONSTRATED. This travel support is not intended to fully pay travel expenses for presenters, but is intended to defray the total travel expense. Convenors and Organizers must pay registration fees and are not eligible for travel support. Only one request per 1.5 or 2-hour session and two requests for 3-hour sessions will be considered.

A maximum of $1,000 per North American speaker, $2,000 for European and South American speakers and $2,500 for other international speakers may be available. Organizers are welcome to seek funding from other sources.

Selection Procedure

The primary focus of the proposal selection procedure is to provide a balanced educational program for attendees of the IAFP Annual Meeting. To achieve this goal, proposals may be combined or modified by the Program Committee during their initial or final review, as appropriate, to prevent overlap of topics among competing sessions. The Program Committee also reserves the right to suggest alternative speakers and/or topics in an effort to round out the program. During the selection process, only the most relevant and promising proposals will be selected for further development.

Submission Guidelines

1. Proposals must be pertinent to IAFP Members and PDGs. Priority will be given to proposals that address one or more of the following program areas:
   - Safety and Microbial Quality of Foods (Dairy, Meat and Poultry, Seafood, Produce, Water)
   - Viruses and Parasites, Retail Food Safety, Epidemiology and Public Health
   - Non-Microbiology Food Safety Issues (food defense, food toxicology, allergens, chemical contaminants)
   - General-Applied Food Safety Microbiology (for example, advances in sanitation, laboratory methods, quality assurance, food safety systems)
   - General Food Protection for the Future (risk analysis, emerging pathogens, biotechnology, predictive models, etc.)
   - Developments in Food Safety Education
   - Other pertinent food protection topics may be considered if space is available

2. In addition to addressing pertinent program areas, proposals accepted for further development should:
   - Be new, emerging and/or address areas not covered in last 2 years
   - If covered in last 2 years, provide new information that warrants another session

3. Submissions must include:
   - Titles that clearly convey the topics to be covered
   - Topics that are unique to prevent overlap of basic information among speakers
   - Names of suggested speakers from a variety of backgrounds, such as industry, regulatory, academic researchers, or consumer perspective (as appropriate)
   - Suggested speakers who are knowledgeable and good communicators

4. Special consideration will be given to submissions that:
   - Are directly applicable or provide viable safety options for food manufacturers, including small- to medium-size manufacturers
   - Bring an international (outside of North America) focus or viewpoint to the meeting
   - Attract or involve students
   - Attract or involve local area members who would not otherwise attend the Annual Meeting (e.g., regional specialties like shellfish issues for Gulf States)

Would attract members of a new PDG or program area that IAFP is trying to develop or encourage
5. Other considerations:

- The Program Committee reserves the right to limit the number of sessions devoted to a single topic area to provide a balanced program.
- Submitters are encouraged to consider new and diverse speakers when preparing their proposal.
- A person should have no more than three roles (speaking, convening, organizing, or serving on a panel).
- If relevant topics are proposed by more than one submission, the Program Committee will make the final decision to combine or modify proposals as appropriate to avoid overlap of topics among competing proposals. In this case, organizers may be asked to work with one another to combine proposals.
- The IAFP Program Committee reserves the right to review proposals, including proposed subjects and speakers, and make modifications (including speaker replacement recommendations) in order to provide the most comprehensive and balanced program. Invited speakers need to be made aware of these conditions when they are contacted.
- Due to space and time limitations, only the most relevant and promising proposals will be selected for further development. Again, the Program Committee will make final decisions regarding symposium breadth and length.
- Selected sessions will be reserved for symposia sponsored by our partner, Institute for the Advancement of Food and Nutrition Sciences (IAFNS). The IAFNS symposia address topics that are of general interest to IAFP Annual Meeting attendees, focusing on emerging food safety issues and technologies, and provide a global perspective.
- Additional sessions may be added at the discretion of the Program Committee or Executive Board to accommodate emerging issues.

**Review Process and Timeline**

**Who to Contact:**

Tamara Ford  
International Association for Food Protection  
Phone: +1 515.276.3344  
Email: tford@foodprotection.org
The Program Committee invites International Association for Food Protection Members and other interested individuals to submit a pre-meeting workshop proposal for IAFP 2025.

What is a Workshop?
A workshop consists of a one- to two-day program and is organized with a central theme relating to food safety. Workshops should include active participation from attendees. Workshops will be held on the Friday (July 25) and/or Saturday (July 26) prior to the Annual Meeting. Workshop proposals will be evaluated by the Program Committee for relevance to current science and to Association Members. Individuals, committees, or professional development groups may prepare proposals. Workshop presentations must follow IAFP's Policy on Commercialism.

Submission Guidelines
To submit a workshop proposal, complete the online Workshop Proposal submission. The title of the workshop; name, address, phone, and email of the person(s) organizing the workshop; topics for presentation, suggested instructors, affiliations; and description of intended audience to which this topic would be of greatest interest must be included. Instructors will be limited to no more than six for a 2-day workshop and no more than four for a 1-day workshop. Consider new and diverse instructors when preparing your proposal. If organizers are going to give presentations, include their names as instructors.

When submitting a proposal, the instructors should be tentatively confirmed. Final confirmation of instructors will take place after acceptance of your workshop proposal. A tentative agenda must be included with the submission.

Logistics
Workshops held in conjunction with IAFP’s Annual Meeting will be organized by IAFP. IAFP will arrange for the classroom, audiovisual equipment, course materials (printing, notebooks, etc.) and food and beverage. IAFP will also assume responsibility for profit or loss from the financial aspects of the workshop.

IAFP encourages workshop organizers to minimize the amount of speaker support for workshops (this enables us to keep the attendee registration cost economical). IAFP does not pay speaker or instructor fees. IAFP may provide airfare and travel expense, if a sincere need is expressed. If a workshop instructor normally attends the Annual Meeting, it is expected that they will pay their own airfare.

Workshop organizers will coordinate the agenda timing and topics that each speaker will present. Organizers are also responsible to collect handout materials from each speaker in advance so that notebooks can be prepared in advance by IAFP.

Proposal Deadline
Workshop proposals must be submitted through the online system no later than October 1, 2024 (no late submissions will be accepted). Workshop proposals will be reviewed by the IAFP Program Committee and notification of first review decisions will be issued by November 15. Any necessary changes will be requested by December 9, so that the workshop can be finalized at that time.
Have an Idea, but You are Unable to Organize It?

Many Association Members have excellent suggestions for workshop topics, but are unable to organize the program. Such ideas are extremely valuable and are welcome. If you have an idea, please contact the IAFP office as soon as possible.

Email: tford@foodprotection.org
Call for Abstracts
Deadline: January 14, 2025
(No late submissions will be accepted)

General Information
1. Complete the Abstract Submission Form Online. Submission Deadline: January 14, 2025 (no late abstracts will be accepted).
2. All presenters must register for the Annual Meeting and assume responsibility for their own transportation, lodging and registration fees.
3. There is no limit on the number of abstracts individuals may submit. However, one of the authors must deliver the presentation.
4. Accepted abstracts will be published in the Abstract Book and made available online. Editorial changes may be made to accepted abstracts at the discretion of the Program Committee.
5. Membership in the Association is not required for presenting at IAFP 2025.

Presentation Format
1. Technical — Oral presentations will be scheduled with a maximum of 15 minutes, including a brief (2–4 minutes) for audience questions. LCD projectors will be available and computers will be supplied.
2. Poster — Freestanding boards will be provided for presenting posters. Poster presentation surface area is 48” high by 96” wide (121.9 cm × 243.8 cm). Handouts may be used, but audiovisual equipment will not be available. All posters should include the title and author information.
3. Marketplace — (limited to 20 presentations) 3-minute speech/demonstration and 1-hour showcase. For a newly developed, free resource. Examples of resources include Book Reviews, New Laws; Regulations; Guidelines, Extension and Outreach Materials, Training Curricula, and Newly developed tools for analyzing something. For profit showcasing will not be accepted.

Note: The Program Committee reserves the right to make the final determination on which format will be used for each presentation.

Instructions for Preparing Abstracts
1. Abstracts must report the results of original research based on accepted scientific practices (experiments, trials, surveys, analysis of existing datasets) or subject matter of an educational* nature, as well as case studies and literature reviews, dealing with food protection including:

- causes of foodborne illness or food spoilage (e.g., microbial, microbially-derived toxins, food-related toxicants, natural toxicants, chemical contaminants, and allergens);
- contaminants of food (e.g., feces, insects, rodents, and adulterants);
- control of foodborne illness, food spoilage or food contamination during pre-harvest production, and/or postharvest processing, distribution, preparation, and/or service to consumers including advances in sanitation, food processing, quality control/assurance, and/or food protection systems;
- advances in laboratory methods including novel approaches for tracking foodborne pathogens, validation or matrix extensions, or sample preparation;
- public health significance of foodborne disease, including outbreak investigation and risk assessment;
- the study of pathogenesis and/or microbial ecology;
- food fermentations and food-related probiotics;
- Public health policy (analysis, case studies, impact);
- Education and training effectiveness.

2. Research should not have been previously presented nor intended for presentation at another scientific meeting. Work should not appear in print prior to IAFP 2025. Abstracts may be rejected if previously presented or published.

3. Authors should not submit multiple abstracts that cover essentially the same topic or research methodology. Authors should combine into one abstract.

4. Direct evidence of plagiarism is grounds for abstract rejection.

5. Abstracts must be written in clear and correct English and must be entered into IAFP’s web-based abstract management system. Abstracts will be rejected if poorly written or prepared.

6. Abstracts are limited to 300 words maximum. Abstracts over 300 words in length will be rejected. The bulk of the words should be in the Methods and Results sections as the authors can assume IAFP Members have sufficient background and expertise to understand the submission.

7. Abstracts must follow the IAFP Policy on Commercialism. As a practical guide, company/brand/test name(s) or acronyms/abbreviations of such may be used ONCE in the abstract title and ONCE in the abstract body. Abstracts that use brand, company, or commercial microbial or contaminant test names more than the guideline will be rejected.

8. Abstracts must be approved by all authors before submission.

9. All abstract submissions shall list all authors. One author shall be designated to be the presenter of the abstract and one author (can be the same one who is presenting) shall be designated as the person to be the primary contact (the primary contact will be responsible for notifying all authors of the Program Committee’s decision, as well as any logistical information received by the IAFP office).

10. Format preferred — Check the box in the system to indicate technical (oral) or poster format. The Program Committee reserves the right to make the final determination of presentation format.

11. Category — Categories are used by the Program Committee to organize the posters and technical sessions. Please check the box in the system which best describes the category for which the abstract is suitable. Categories include:

   - Animal and Pet Food Safety
   - Antimicrobials
   - Beverages and Acid/Acidified Foods
   - Communication, Outreach and Education*
   - Dairy
   - Data Management and Analytics
   - Epidemiology
   - Food Chemical Hazards
   - Food Allergens
   - Food Defense
   - Food Fraud
   - Food Law and Regulation
   - Food Processing Technologies
   - Food Safety Systems
   - Food Toxicology
   - General Microbiology
   - Laboratory and Detection Methods
   - Low-Water Activity Foods
   - Meat, Poultry and Eggs
   - Microbial Food Spoilage
   - Modeling and Risk Assessment
   - Molecular Analytics, Genomics and Microbiome
   - Packaging
   - Physical Hazards and Foreign Materials
   - Plant-Based Alternative Products
   - Pre-Harvest Food Safety Produce
   - Retail and Food Service Safety
   - Sanitation and Hygiene
   - Seafood
   - Viruses and Parasites
   - Water

* Abstracts submitted in the Communication Outreach and Education category MUST present an improvement or innovation on a proven method in order to educate others about a food protection related topic. There should be a way to measure and substantiate the improvements and/or outcomes. If measured, the sample size should be sufficiently large (usually 100 or more) to represent the intended population.

12. Developing Scientist and Undergraduate Student Awards Competitions — Check the box to indicate if the
presenter is a student desiring to enter either of these competitions. For more information, see “Call for
Entrants in the Developing Scientist Awards Competitions” and “Undergraduate Student Awards
Competitions.”

Original research abstracts of 300 words or less MUST be in the following format (sample abstracts can be
found HERE). Do not include reference citations in the abstract. Most wording should be in the Methods
and Results sections.

**Introduction:** Provide background, statement of problem, or basis of the study (1 sentence).
Abstracts that report research that is confirmatory of previous studies and/or lacks originality will be
given low priority for acceptance.

**Purpose:** State the purpose or objectives of the study (1 sentence).

**Methods:** State the methodology used in the study (3–5 sentences). The methods should be specific
enough that researchers in the same or similar field would understand the basic experimental design
or approach. Research must be based on adequate and accepted scientific or educational practices.
Sample sizes (both numbers and sample weight or volume), controls used, treatment levels, etc.
should be explicitly stated.

**Results:** Briefly summarize results obtained in the study; do NOT use tables or figures. (2–5
sentences). NOTE: Abstracts will be rejected if specific results, along with appropriate statistical
analysis are not provided.** A statement of “results pending” or “to be discussed” is not acceptable
and will be grounds for abstract rejection. Percentages alone are not acceptable; sample sizes and
sample weights or volumes should be included. Detection limits should be specified when stating that
populations or levels are below these limits.

** ** However, exceptions will be made for literature reviews, case studies, and other types of projects
which do not generate statistically analyzable results.

**Significance:** State the significance of the findings to food protection and/or public health (1–2
sentences).

**Abstract Submission**
Abstracts submitted for IAFP 2025 will be evaluated for acceptance by the Program Committee. Please be
sure to follow the instructions above carefully; failure to do so may result in rejection. Information in the
abstract data must not have been previously published in a copyrighted journal.

Abstracts must be received no later than January 14, 2025. No late abstracts will be accepted. Completed
abstract and information must be submitted online using IAFP’s web-based abstract management system. You
will receive an email confirming receipt of your submission.

**Rejection Reasons**
1. Abstract was not prepared according to the “Instructions for Preparing Abstracts.” This includes abstracts
   that are too lengthy.
2. Abstract reports inaccurate, inappropriate or unacceptable subject matter about advancing food safety
   worldwide.
3. Abstract is not based on accepted scientific or educational practices and/or the quality of the research or
   scientific or educational approach is inadequate.
4. Potential for the approach to be practically used to enhance food protection is not apparent.
5. Work reported appears to be incomplete and/or data and statistical validity are not presented.
   Percentages alone are NOT acceptable unless sample sizes (both numbers of samples and sample
   weight or volume) are reported. Detection limits should be specified when stating that populations are
   below these limits. Indicating that data will only appear in the presentation without including them in the
   abstract is NOT acceptable.
6. Abstract was poorly written or prepared. This includes spelling and grammatical errors or improper English
   language usage.
7. Results have been presented or published previously by one of the authors.
8. Abstract was received after the deadline for submission.
9. Abstract contains information that is in violation of the International Association for Food Protection Policy on Commercialism. (Company or brand names used more than once in the title and once in the body of the abstract are considered in violation of the commercialism policy. Acronyms or abbreviations of company/brand names are included in this limit.)
10. Abstract subject is similar to other(s) submitted by same author. (The committee reserves the right to combine such abstracts.)
11. Abstracts that report research that is confirmatory of previous studies and/or lacks originality will be given low priority for acceptance.

**Projected Deadlines/Notification**
Abstract Submission Deadline (no late abstracts will be accepted): January 14, 2025
Acceptance/Rejection Notification: March 28, 2025

**Contact Information**
