

IAFP Seeks Scientific Co-Editor for the *Journal of Food Protection* beginning January 2027

DUTIES & RESPONSIBILITIES:

- Works closely with editorial staff, editor-in-chief, and other scientific co-editors to manage the peer-review process of submitted manuscripts for publication in *JFP*
- Serves as intermediary between manuscript reviewers and authors:
 - 1) Assigns reviewers for submitted manuscripts
 - 2) Evaluates reviewers' comments
 - 3) Determines the scientific acceptability of manuscripts
 - 4) Conducts timely communication with authors, reviewers, and staff
- Makes decisions on acceptance/rejection of manuscripts in accordance with the policy for evaluation of manuscripts submitted for publication in association journals
- Reports to *JFP* Management Committee and IAFP Executive Board
- Part-time position involving 10-20 hours per week
- A monthly stipend is provided

Please note that a preference will be given to candidates with strong expertise in chemical contaminants and their impact on food safety

Application Deadline: August 14, 2026.

Applicants may forward a letter of interest and C.V. to:
