

# NSF Training Membership Program

Congratulations!  
You've joined some of the biggest names in the food and beverage industry by becoming an NSF Training Member.

You now get exclusive access to and preferential pricing on NSF's premium training service offerings on [nsf.org](https://www.nsf.org).

## Benefits of Membership

- Discounts on all public instructor-led training courses (virtual and in-person) and eLearning
- 1 Complimentary eLearning course registration per year
- 20 Complimentary eLearning Registrations for our Food Safety Starter Series Bundle:
  - NSF Food Safety at a Glance
  - Allergen Cross Contact Control
  - 7-Step Sanitation Process for Open Plant
  - Site Sanitation

## What to Expect in Our Courses

- Access to industry and subject matter experts
- Relevant, interactive and applied training
- Comprehensive course material that may include electronic presentations, workbooks and tools
- Networking opportunities
- Certificate of Accomplishment or Certificate of Attendance
- Consistent, high-quality material and delivery method

**MEM CODE: MEMIAFP**

Expires December 31st 2026

## How to Take Advantage of Your Membership\*

### Register for courses and special events
